POLICE FOIL PLOT TO SLAY TRACTION CHIEFS

Women And Officers Battle

New York, Oct. 6.—The police promised more arrests today in connection with an alleged plot to kill President Theodore P. Shonts of the Interborough Rapid Transit company, and Frank Hedley, manager of the New York Railways company. Two men, said to be striking subway guards, arrested early this morning, were held on charges of stoning an elevated train. The police declared they had evidence that these men were involved in the supposed conspiracy but refrained from bringing such a charge against them until others were arrested.

According to detectives, one of them who posed as a striker, got evidence ten days ago that plans were being laid to kill Shonts and Hedley. The two traction officials were warned and given permission to carry pistols. The two men now under arrest were closely watched until last night when they were seen taking part in an attack upon an elevated train. The prisoners, who gave their names as Oscar Wallace and John Sheeran, were questioned for several hours today, but the police said that to reveal the result of this examination might hamper them in continuing the investigation.

Spurred on by the exhortations of "Mother" Jones, labor agitator, three hundred wives and women relatives of striking street car men, battled with the police late yesterday. Night sticks were swung right and left by the police and many of the women were bruised. Scores of the rioters carried babies in their arms.

A crowd of strikers who had congregated around the uptown hall where the meeting addressed by "Mother" Jones was held, entered the fray on the side of the women and were driving back the few patrolmen on the scene when an automobile load of blue coated reinforcements arrived. The reserves plunged into the midst of the struggling mob and wielded their clubs without mercy. When the rioters finally fled they left nine prisoners—six women and three men—in the hands of the police.

The trouble began when the women poured out of the hall where "Mother" Jones had exhortations to "get the scabs" off the cars.

"You are too sentimental," she had cried, "staying at home thinking of dress and trinkets when you ought to be out raising hell."

Throoping into the street, the women shouted and jeered at cross town cars in 86th street. (Continued On Page Eight)

British "Land Fleet" A Failure, Says Berlin

Berlin, Oct. 6.—(Wireless to Sayville)—The British armored motor cars which were used for the first time in the general advance on the Somme front last month, are a failure, the Overseas News Agency says. "One of the tanks, built in Norfolk, England, became hopelessly entan-

gled in barbed wire," says the News Agency. "Another tank was disabled by one shell while advancing at a point north of Fiers. The ammunition which it contained, exploded and it burned up. Two other tanks were utilized in an attack at 7 a. m. on September 5, on the Guillemont-

Combles road. One of them was blown up with a hand grenade when it had approached to within thirty yards of the German trenches. At the last moment its occupants despatched a carrier pigeon from this modern Noah's Ark. Six machine guns were captured by the Germans. The other

tank crawled to the southern edge of Leuze Wood and was burned up. "Only one of these land cruisers succeeded in crossing our trenches. This one was annihilated by a shell on the road to Ligny-Thilloy. The British land fleet will soon be composed of nothing but wrecks."

WEIGHT ON EVERY LOAF

New York, Oct. 6.—Nearly 300 bakers here began today the practice of marking the weight on every loaf sold. The commissioner of weights and measures made a ruling to this effect under authority of a state law, but hitherto has refrained from prosecuting violators. Hereafter, the commissioner announced today, the bakers will be required to obey the regulations.

W. VA. GUARD AT FT. SAM HOUSTON

Washington, D. C., Oct. 6.—General Funston notified the War Department today that National Guard organizations from West Virginia recently ordered to the Mexican border will be stationed at Fort Sam Houston.

HOME RULE FOR IRELAND SAFE SAYS REDMOND

Waterford, Ireland, Oct. 6.—In a notable address to his constituents here this afternoon, John Redmond, the Irish Nationalist leader, in Parliament, declared that despite the recent rebellion "with all its inevitable aftermath of brutalities, stupidities, and inflamed passions," Home Rule for Ireland is safe if Ireland remains sane.

Mr. Redmond also declared that conscription could never be forced upon Ireland, adding: "I cannot bring myself to believe that, malign though the influences at work are, the government will be insane enough to challenge a conflict with Ireland on this subject. Conscription for Ireland, far from helping the army and the war, would be the most fatal thing that could happen."

BANK ROBBERS GET \$6,000

Streator, Ill., Oct. 6.—Robbers dynamited the state bank at Rutland, near here, early today and escaped with \$6,000.

Toledo, O., Oct. 6.—The safe in the Peoples' Savings Bank at Itawa Lake, Michigan, a few miles northwest of the Ohio state line, was blown early this morning. Bank officers report that \$1,200 was stolen.

Steubenville, O., Oct. 6.—Harry Boyd, 12, and William Dace, colored, 11, were caught by police early today as they emerged from a local hardware store, where, police say, they made an unsuccessful attempt to "crack" a safe with a hammer.

Warren, O., Oct. 6.—Burglars last night entered five homes here and secured two gold watches, one hundred dollars in cash and clothing.

Corry, Pa., Oct. 6.—Robbers blew open the safe in the post office at Grand Valley early today and escaped.

WRIGHT PRESENTS PATENTS TO THE BRITISH

London, Oct. 6.—According to the newspaper Aeroplane, Orville Wright, the Dayton, Ohio, aeroplane inventor, has presented his patents to the British government.

Gallipoli, O., Oct. 6.—Mrs. Harrison Gordon, of Gallipoli Ferry, was burned to death today, when a gas stove exploded at the home of a relative she was visiting near Junction City.

"AMERICA IS READY TO FIGHT BUT THE CAUSE MUST BE JUST"

—SAYS PRESIDENT WILSON

Clinton, Iowa, Oct. 6.—President Wilson is on his way home through the middle west today, after receiving one of the greatest demonstrations of his career in Omaha yesterday and last night. He is due in Chicago at 11:40 o'clock this morning and after a brief stop will proceed to Long Branch, N. J. He will arrive there tomorrow morning in time for an address to independent voters at Shadow Lawn.

The president's plans for today called for several stops en route home. He intended to appear at every station and shake hands with the people, but still persisted in his determination not to make near platform speeches.

President Wilson's train drew into Clinton through a crowd which so packed the right of way that the police and railroad employees with difficulty forced a passage.

The train stopped for a change of engines, but the president did not show himself. The crowd gazed for fifteen minutes on the vacant platform. There was a roar of disappointment as the train slowly pulled out and gathered speed, passed out of Iowa over the drawbridge, spanning the Mississippi river.

Hundreds of people had come to Clinton in the early morning in auto and train in the hope of seeing the president. No untoward incident marked the passage of the president's train across Iowa. The president went to bed as the train left Omaha and remained in his berth until after Iowa had been traversed.

President Wilson discussed the European war, peace and American business in three speeches at Omaha yesterday. He declared America is as ready to fight as any nation in the world, but that its cause must be just. After the war, he said, this nation must join a league of nations to preserve the peace of the world.

President Wilson said: "It is very important that the statesmen of other nations should understand America. We have held off from the conflagration in Europe because we wanted to play a different part."

The president was interrupted by applause and shouts of "We thank you."

"The cause of the European war," the president said, "is not plainly known. But Europe should understand us," he said. "We are holding off because when we use the force of this nation we want to know what we are using it for. There is as much fight in America as any nation in the world."

"We want always to hold the force of America to fight for the rights of mankind, not for the rights of property. But in fighting for these things we should know what the touchstone is. We must have absolute allegiance to America. We must be truly American. The rights of humanity are the essence of freedom."

"We want all the world to know that we are ready to use all our force to maintain peace among mankind. The starting of wars can never again be the private concern of any one nation. We must use all our forces, moral and physical, to uphold a league of nations, to uphold the peace of this world."

The president declared there was no use fighting over petty things. He discussed that attitude of George Washington on

entangling alliances, saying he did not believe Washington meant the United States should not come into contact with the world.

President Wilson came into the middle west today for the first time since the campaign began and received what his political lieutenants characterized the greatest reception of his career. He declared for the "unshackling" of American business in order that it may meet the competition of the world after the European war and cited legislation of his administration is going far in this direction.

The president was cheered by thousands during the day. The size of the crowds and the enthusiasm shown far exceeds anything he has experienced since his inauguration.

BELIEVE 19 YEAR OLD GIRL BEHIND PLOT TO ROB "CRANBERRY MONEY"

Philadelphia, Pa., Oct. 6.—Subjected to the third degree at detective headquarters for hours, Mille De Marco, the alleged 19-year-old girl, chief of band of robbers who yesterday held up the automobile of A. J. Rider, president of the New Jersey Cranberry Growers' Association, at Aston, N. J., a desolate hamlet ten miles from Hammonton, N. J., wounded him, his daughter and another man, and killed his brother, Henry D. Rider, of Howell, Mich., made damaging admissions at noon today, according to Captain Tate, of the detective bureau.

Philadelphia, Pa., Oct. 6.—With

four persons under arrest in this city and in Camden, N. J., and the police dragnet closing about four others who are now under surveillance in connection with the sensational holdup and murder at Hammonton, N. J., yesterday, the authorities today declared their belief that Mille De Marco, 19 years old, of this city, one of the prisoners, and an employee of A. J. Rider, president of the New Jersey Cranberry Growers' Association, engineered the entire plot.

The DeMarco girl and the Italian arrested in this city late last night were traced to the Italian colony here through the license number of an automobile

in which eleven men and one woman were seen in the vicinity of the home of the Riders yesterday shortly before the murder of Henry Rider, of Howell, Michigan, and the shooting of his brother and two others. Rider and his daughter, Mrs. Elsie Smathers who valiantly drove the automobile after she had been wounded and James B. Rigby who also occupied a seat in the Rider car at the time of the attack, are in the Jefferson hospital, this city. Their condition today was hopeful and physicians said they would recover.

CLAIM OPENING GAME WILL SMASH ATTENDANCE RECORDS

Boston, Oct. 6.—The attendance of the first game of the world's series will be the largest in the history of baseball, according to President J. J. Lannin of the Boston-Americans. He said the interest in the series this year

was greater by far than last year, when a record crowd of 42,300 saw the first game played in this city.

The time for exercising purchase privileges on seat reservations expires at six o'clock tonight, after which unreserved

tickets will be put together and reserved for a rush line sale tomorrow morning. This will be the only opportunity for persons not successful applicants by mail to obtain such seats except by private transactions at increased price.

See The World's Series Games Play By Play On The Times Bulletin Board

Tomorrow in Boston the world's series begins. Of course everyone cannot go to Boston to see the opening game, but that does not prevent them from enjoying the game play by play. Through arrangements with the Associated Press over its own leased wire The Times will receive the account of each game of the world's series, both at Boston and Brooklyn, ball by ball. A few seconds after each play is made in either Boston or Brooklyn you are going to be able to read about it on the Times bulletin board. This service will continue throughout the series and everyone is invited to come to The Times office and enjoy the games. And don't forget! The Times in its editions will carry complete accounts of the games with all the little sidelights and highlights that go to make up the historical contests.

BRITISH PRESSURE IS STRONG NEAR STRUMA; RUMANIANS DEFEATED

London, Oct. 6.—While the entente forces, holding the center of the Macedonian front, remain inert, both flanks continue vigorously on the aggressive.

Today's reports indicate a weakening of the Bulgarian resistance to the British pressure on the Eastern end of the line, beyond the Struma. Here the Bulgarians have evacuated Nevoljen, which has been occupied by the British and are reported on the street.

Previous offensive movements by the British east of the Struma have not been followed up vigorously. In the present operation, however, the British forces have withstood numerous Bulgarian counter attacks, and the consolidation of all the ground gained is now reported.

Sofia again reports the failure of Russian and Rumanian attempts to push back Field Marshal Von Mackensen's line in Dobruja. The complete clearing of the southern bank of the Danube of the Rumanians who recently crossed the river near Rahovo also is announced.

Attacks by the British on the Somme front have gained their ground along the Pozieres-Bapaume road according to the British official statement. A further broad was made into the German lines northeast of Eaucourt l'Abbaye.

Only artillery activity on the French section of the Somme front is reported in today's war office bulletin from Paris.

British raiders have been active in both the Lille and the Lens region. Whether these raids on the German line have more than local significance is not apparent. In operations in the Lens and Armentieres district, included within this area of activity, gas was discharged from the British trenches.

The German Crown Prince has resumed active hostilities at Verdun, Paris announces. His guns have opened up a heavy fire on the Cote Du Poivre, or Popper Hill north of the fortress, while elsewhere in the Verdun region the artillery is notably busy.

On the western end of the Macedonian front the Serbians and the Allies, it appears from the Paris war office bulletin, have pushed their lines well across the Serbian border, directly south of Monastir and are now within seven miles of that city along the line of the villages of Meadji, Kenali and Gradshitsa.

GERARD MAY SEEK PEACE FOR KAISER

New York, Oct. 6.—The New York Evening Post today publishes a story saying that it has been learned from a trustworthy source that Ambassador James W. Gerard, now on his way back from Germany, will lay before President Wilson a request that the president use his good offices in suing for peace with the allies.

"Germany has definitely decided to apply to President Wilson," the article reads, "to use his good offices in suing for peace with the Allies. This was learned today from sources in a position to have absolutely trustworthy information on the matter."

General Brussiloff is persisting in his determination to break down Teutonic resistance along the southern sector of the Russian front and within the way to Lemberg. Southeast of Lemberg his assaults have resulted successfully in several instances, according to Petrograd, which reports the capture of positions south of Brzezany which were held against counter attacks.

In Volhynia and northern Galicia the Austro-German armies are obstinately standing against the Russian offensive, which, according to press despatches from German sources is being pushed by means of attacks more violent than any experienced previous during the war.

In Turkish-Armenia, Grand Duke Nicholas has continued his new offensive west and southwest of Trebizond, Petrograd announces. The Turks are being driven back toward the river Karshut, which flows into the Black Sea, 50 miles west of Trebizond.

British Push Forward Line
London, Oct. 6.—The British last night pushed forward their line northeast of Eaucourt l'Abbaye, on the Somme front, it was announced officially today.

"During the night," the statement says, "we advanced our position northeast of Eaucourt l'Abbaye. Gas was discharged by our Armentieres. Three raiding parties successfully entered the enemy trenches in the Loos area and two south of Arras."

Russians Gain In Lemberg Drive

Petrograd, Oct. 6.—(Via London)—Russian troops have made headway on the Galician front in their campaign for Lemberg, according to today's war announcement, capturing Austro-German positions in the district south of Brzezany, southeast of the Galician capital. Counter-attacks are holding up the Russian offensive along the line to the north.

Activity Renewed Near Verdun

Paris, Oct. 6.—The war office reports great activity on the part of the artillery on the Verdun front. The Germans are shelling Poivre Hill east of the Meuse and north of Verdun. On the Somme front the artillery was active during the night.

OBITUARY

Mrs. Lucy M. Sheets
In memory of Mrs. Lucy M.
Sheets, who died at her home in Me-
Call, Ky., September 27th:

Our community is again in mourn-
ing; another death has darkened a
happy home and cast a pall into it's
midst; another family circle's main
link has been broken and a mother
has answered the final summons.
She has left a disconsolate husband
with two sweet little ones to care for.
Mrs. Sheets was born in Carter
county, Ky., September 6, 1859, she
being in her twenty-ninth year when
death claimed her.

Her maiden name was Lucy Law-
hun. She is survived by her mother,
four brothers, three sisters, her hus-
band and two children. In early
life she became a Christian and
lived consistently in the faith to the
end. She was a good church worker
and will be sadly missed in the Sun-
day school. She was faithful and
patient and ready to give her life, if
need be, that she might be helpful to
her husband and the children. God
gave to them.

During her long illness she was
cheerful and spoke tenderly of her
little ones and desired life for their

benefit, yet her spirit of resignation
to Divine Will was most beautiful.
To her husband, Robert Sheets, she
has left the most endearing memory,
and since words cannot express his
feelings, he simply says, "She was a
good wife and mother."

The funeral was held at Garrison,
Ky., Thursday, Sept. 28th, with Rev.
Robert Meenix in charge. A large,
sympathetic congregation was pres-
ent and the services were very im-
pressive. Interment was made in
Warren cemetery.

"By thy hands the boon was given,
Thou hast taken but thine own;
Lord of Earth and God of Heaven,
Evermore Thy will be done."

Leopold Walters

Leopold Walters, Jr. aged 45
years, a well known Clay town-
ship farmer and gardener, died
at his home on the Boulevard
Thursday night at 10:15 o'clock.

Mr. Walters had been ill for an
entire year, first suffering with
typhoid fever, then developing
tubercular trouble. He was born
and reared in the immediate vi-
cinity of the home where he died,
a son of Leopold Walters, Sr., and
Mrs. Mary Walters. He was mar-
ried nineteen years ago to Mary
Sheppard, who survives him with
three children: Anne, aged 17
years, Carrie, 14, and Louis, 10.
Their home life was always of the
happiest, he being a good and
kind husband and father, and was
a hard working man of good
standing in the community. Be-
sides he also leaves to mourn his
death three brothers and two sis-
ters: John, Charles and Frank
Walters, Miss Mary Walters, at
home and Mrs. Clara Cox, of Sum-
mit street. For the past twelve
years he had been a member of St.
Joseph's Court, Catholic Order of
Foresters. He was a life-long and
devout member of the Catholic

church. The funeral will take
place from St. Mary's church
Monday morning.

ASKS ABOUT DAVIS

Police Chief Henry Clark is in receipt of an inquiry from Mrs. Cleveland Davidson, of Williamsport, O., regarding her brother-in-law, Arthur J., better known as Dick Davis, a barber of that place, who has been missing since September 19. She says he was seen in Chillicothe September 21, but nothing is known of his whereabouts since and she had heard of a man being killed in Portsmouth some days ago and was never identified. Chief Clark will be glad to forward to the inquirer any information that any local persons may have regarding the man in question.

WITH THE SICK

Mrs. Amanda Huddleson, of Fourth street, who attempted to end her life Sunday by jumping into the Scioto river from the county bridge, is steadily improving and will recover in the opinion of the attending physician.

M. C. Frazier, edge-trimmer at the Selby shoe factory, who lives at 404 Campbell avenue, and who has been ill since September 1915 with stomach trouble, was down town for the first time Thursday.

City Solicitor Anselm Skelton is ill with a heavy cold.

The late Phil G. Lorey, when engaged in the stove business on West Second street, in the year 1892, sold a MODEL STEEL COAL RANGE made by the Portsmouth Stove and Range Co. to a well-known Portsmouth family. This range has been used continually since that time with a total cost for repairs not exceeding \$11.50. Adding this \$11.50 for repairs to the original cost of the range, they have had TWENTY-FOUR YEARS service at a cost of less than ONE CENT A DAY and the range is still good for many more years.

DEMOCRATS CONFIDENT OF CARRYING NEW YORK

New York, Oct. 6.—The Empire State, with its forty-five electoral votes, may be counted surely for President Wilson. Never at this stage of a national campaign have indications of Democratic success in New York State been so positive.

In a conference today with National Chairman McCormick, Edwin S. Harris, chairman of New York State Democratic Committee, went carefully into detail of the state campaign and later summarized his reports as follows:

"President Wilson will carry New York by more than one hundred thousand. This estimate is based on a careful canvass made by the Democratic State Committee, which showed that the president has a united and militant Democratic party behind him, together with the support of a large number of Republicans. The Democratic party in New York is harmonious and for the reelection of President Wilson to a man. This is a strong contrast to what is going on in the Republican party."

New York, Oct. 6.—Sam'l J. Graham, of Pittsburgh, Assistant Uni-

ted States Attorney-General, called upon Chairman McCormick of the Democratic National Committee today and laid emphasis on the dangerous doctrine being preached by Col. Roosevelt and "his proteges," Mr. Hughes. Mr. Graham said:

"Ex-President Roosevelt, in his Battle Creek speech stated, in connection with the anthracite coal strike, that he had instructed the general in command of the army, if he so ordered, to take control of the properties and act as receiver. This would have been a gross usurpation of executive authority and a violation of the laws of the country, as only the courts have the right to appoint receivers after a hearing."

In this same speech he stated that after the sinking of the Lusitania he would have seized all of the German ships in our ports, observe. First, that there were three men-of-war in our ports. To have seized these ships would have been a declaration of war, and Germany would have replied to it with a declaration of war. Also to have seized the privately owned ships would have been a violation of international law, because we were at peace with Germany.

Colonel Roosevelt's declaration that he would have seized these ships of war shows that had he or his proteges, Mr. Hughes, been in the White

House, we would have been at war with Germany. It is fair to assume, if Mr. Hughes is elected, and a similar occasion arises, the same result would follow.

Victim of Circumstances

It was given out at police headquarters Friday that latest developments in the case of Steve Ar-

nold who was arrested while in the company of a colored woman in the North End a few days ago, show he was a victim of circum-

stances. He was taken to the house while he was intoxicated, to be robbed. He swears he will not take another drop of intoxicating liquor.

Relieves Serious Case Of Chronic Constipation

Dr. Caldwell's Syrup Pepsin Corrects Condition That Seemed Hopeless

After suffering from chronic constipation until she was so run down she was unable to do any kind of work, Miss H. A. Frees, 209 Adams St., Dayton, Ohio, obtained a bottle of Dr. Caldwell's Syrup Pepsin and used it with such gratifying results that she continued the treatment and has written to Dr. Caldwell that her condition is again normal, and that she wants to recommend Syrup Pepsin to every one who suffers with constipation.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin, gentle in its action and free from gripping or other pain or discomfort. It contains no opiate or narcotic drug, and, while acting readily on the most stubborn case of inactive bowels, is absolutely safe for the tiniest babe, so that it is the ideal family laxative and should be kept on hand in every household for use when needed.

Dr. Caldwell's Syrup Pepsin

costs only fifty cents a bottle and is sold in drug stores everywhere. To avoid imitations and ineffective substitutes be sure you get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. R. Caldwell, 455 Washington St., Monticello, Illinois.

NEW BOSTON

Members of New Boston council at their adjourned session tonight will take up for final action the ordinance to vacate Ohio avenue south of the first alley south of Grace street, the land being wanted by the steel company which is to open West avenue for over a square, give land on the river front for a road to a ferry landing, put electric lights on Grace street, West avenue and part of Stanton avenue. The ordinance will be given its third reading tonight. Contract for the improvement of Maple street will also be awarded. Legislation on paving of streets in the eastern end of the village will also come up.

Ira Fenner, former livewoman is having a brick garage built on his lot just east of his home on Gallia street.

A force of workmen are razing the old Elhoff property on Gallia street formerly occupied by Cooper Bros. grocery.

Charles Reipenhoff of Grace street is having a home built on the west side of Glenwood avenue in Glenwood addition.

William Canter has received word that all parts of the patented steel oven ordered several weeks ago had been shipped from the Middleby-Marshall Company of Chicago. An expert will be here early next week to install the oven which will have a capacity of 400 loaves. A new bread molding machine has also been ordered.

Cooper Brothers, Gallia pike grocers have installed three new glass display cases for the showing of hardware.

Mr. and Mrs. Frank Bauer and son, Morton and Miss Elizabeth Scherer of Mum's Run, Miss Mary Sommers of Rhodes avenue

and Miss Emma Sommers of Sciotoville, motored to Gophart Station Thursday and spent the evening with Jacob Bauer.

Miss Nell Canter of Oak street, is ill with the grip.

Paul Smith of Grace street, who a few weeks ago broke his leg while playing foot ball, is improving nicely.

Miss Clara Hening of Ohio avenue, who has been suffering with typhoid fever for several weeks is getting along nicely.

Thomas York of Gallia avenue, who several weeks ago ran a rusty nail in his foot and developed blood poison is in a serious condition.

Mrs. John Moore of Rhodes avenue was a business visitor to Garrison, Ky., a few days ago.

Miss Carrie Benner of Cedar street, who has been suffering with typhoid fever, was slightly improved Friday.

Mr. and Mrs. Fred Hasselman of Portsmouth, spent Thursday with Mr. and Mrs. Will Hasselman of Grace street.

Mrs. Hiram Tuckett of East Rhodes avenue, spent Thursday with Mrs. Chas. Reipenhoff of Elizabeth street.

Painters are putting the finishing touches on the woodwork at the new steel plant office building.

John Cooper is having a two story frame dwelling erected on the east side of Glenwood avenue in Glenwood addition.

Mrs. William Canter is at the National sanitarium in Martinsville, Ind., for her health.

Returns To New York

Reuben Horchow, who is now located in New York, left for that city Friday after a short visit to his parents, Mr. and Mrs. Samuel Horchow.

Judgment Allowed

An entry was recorded on the journal of the local court, of common pleas Friday in the case of the Central National bank against R. L. Dawson. Judgment for \$809 with accrued interest from September 11, 1916, was allowed the plaintiff by default. The money was due, the petition says, on a promissory note.

Judge Noah J. Dever represents the plaintiff.

John Lyons Administrator

John Lyons was appointed administrator of the estate of the late William J. Lyons, Madison township, Friday, in probate court by Judge Thomas C. Beatty.

He furnished a \$1,000 bond. The estate is valued at \$600.

If Too Fat Get

More Fresh Air

Be Moderate in Your Diet and Reduce Your Weight With Oil of Kerefin

Lack of fresh air weakens the oxygen-carrying power of the blood, the liver becomes sluggish, fat accumulates and the action of many of the vital organs are hindered thereby. The heart action becomes weak, work is an effort and the beauty of the figure is destroyed.

Put out on by indoor life is unhealthy and if nature is not assisted in throwing it off by increasing the oxygen-carrying power of the blood, a serious case of obesity may result.

When you feel that you are getting too stout, take the matter in hand at once. Don't wait until your figure has become a joke and your health ruined through carrying around a burden of unsightly and unhealthy fat.

Spend as much time as you possibly can in the open air; breathe deeply, and get from The Fisher & Streich Pharmacy, or any druggist a box of oil of kerefin capsules; take one after each meal and one before retiring at night.

Weigh yourself every few days and keep up the treatment until you are down to normal. Oil of kerefin is absolutely harmless, is pleasant to take, helps the digestion and even a few days' treatment has been reported to show a noticeable reduction in weight.

WHEELERSBURG

Dick and Jack Finney, sons of Mr. and Mrs. L. L. Finney, of Sciotoville, are spending a few days with their grandparents, Mr. and Mrs. G. W. Reinhold, of Main street.

NEW YORK STOCKS
New York, Oct. 6.—Today's dealings, with sales again for beyond one million shares, were subject to various cross currents and heavy selling at the end, based on "peep" rumors.

Substantial gains, including several new maximums were scored in the diversified dealings of today's early trading. Central Leather rising over four points to 83½ and Best Sugar a point to 48. American Zinc was another strong issue, gaining 3½ points with 4 or more for Butte and Superior, Studebaker, Westinghouse, Highway Steel Springs and Linscott preferred.

Feature of the rally was included towards irregularity with Denver and Rio Grande preferred at a gain of 2½ points on unusually large offerings. Leading rails and other standard issues were at moderate recessions from yesterday's final prices.

Feature of the rally was included towards irregularity with Denver and Rio Grande preferred at a gain of 2½ points on unusually large offerings. Leading rails and other standard issues were at moderate recessions from yesterday's final prices.

The market's remarkable breadth may be judged from the fact that over 350 separate and distinct issues changed hands in the first half hour, establishing a record for many years.

Among other notably strong features of the forenoon were Hide and Leather preferred, Sloss-Sheffield Steel, the Chemical and Fertilizer shares and a large assortment of unclassified stocks.

For a brief time rails gave promise of asserting their recent prominence in strength but the movement in that quarter underwent speedy reversal. U. S. Steel also denoted renewed pressure. Further irregularity prevailed at noon. Bonds were strong.

The feverish activity of the final hour was wholly at the expense of value, numerous severe recessions being registered. The closing was heavy.

CHICAGO GRAIN AND PROVISIONS
Chicago, Oct. 6.—Basis reports from Argentina had a depressing effect on the wheat market here today. It was said that Argentine weather conditions had become unsettled and that showers were expected, whereas heretofore no sign had been reported of a breakup of the drought. Besides, vessel rates from Argentina were lower and shipments from there to Europe showed a big increase. Opening prices, which ranged from 1¢ decline to ½¢ advance with December at 159½ to 160 and May at 158½ to 160, were followed by a material setback all around, but then something of a rally.

The close was heavy 2½ to 5½¢ net lower with December at 157½ to 157½ and May at 157½ to 157½.

Corn eased off with wheat. Central Illinois reports indicated a big early movement of the new crop. After opening 3¢ down to 3½¢ up, the market underwent considerable of a sag and then found a good recovery.

The close was weak at ½¢ to 1½¢ under yesterday's finish. Improved export call gave some firmness to oats.

In addition to buying was stimulated by talk of the relative cheapness of oats as compared with corn.

Higher prices on hogs strengthened provisions. Trade was fairly active on the advance.

SOCIETY

The handsome home of Dr. and Mrs. L. D. Allard, on Eighth street, was the scene of a beautiful tea Thursday afternoon, when Mrs. Allard and her charming daughter, Miss Allard, were "at home" to their friends, about two hundred and fifty in number. The rooms were all exquisitely adorned in the green and white colors. Mrs. Allard and her daughter received the guests in the large parlor, Mrs. Allard being attired in a handsome gown of delicate gray silk, trimmed in iridescent bands, and Miss Allard, a handsome young woman, wore cream white charmesse adorned with silver lace. The guests were invited to the beautifully adorned dining room by Mrs. Harry Beare, Mrs. Charles Walbridge, a bride of a few weeks, and Mrs. J. P. Smith. The table was adorned with a huge bowl of white roses and delicate ferns. The dainty green and white refreshments were served by Miss Hazel Drew, Mrs. Morton Shumway and Mrs. Fred Winter, a bride of a few months. In the living room delicious fruit, nectar was served by Miss Katherine Hakerman and Miss Lydia Appel. Mrs. Outler, of Trenton, N. J., guest of Mrs. Joseph Micklethwait, and Miss Dona Dowden, of Blanche, guest of Mrs. Archibald Somerville, were out-of-town guests.

The many friends of Miss Eloise McDaniels will be surprised to hear of her marriage to Mr. Edgar Thompson, of Rock Island, Ill., which took place Wednesday evening, October fourth, at the Union Methodist parsonage, Covington, Ky., where Rev. Mr. Barnes officiated. Miss McDaniels formerly resided on John street, this city, but has been making her home recently with a sister, Mrs. Howard Huddleson, in Columbus. Last week the bride visited friends in Portsmouth during the Carnival. She has many friends here who will be surprised to hear of her marriage. The groom is electrical chemist in a large manufacturing plant in Rock Island, where they will make their home after a short trip through the West.

Mr. Charles Crawford, of Ironton, Miss Mary Crammit, of Jackson, and Miss Martha McGhee, of Wellston, arrived today to attend the dance to be given this evening at Wilhelmette Hall.

Miss Mary K. Reed delightfully entertained a few friends this afternoon for the pleasure of Mrs. Charles A. Geiger, of Troy, a former Portsmouth resident, who is visiting Mrs. Arthur Moore. The guests included old friends of Mrs. Geiger.

Mr. and Mrs. M. E. Baird, of Chicago, left yesterday for their home after a short visit with their uncle and aunt, Rev. and Mrs. A. K. Murphy, at Rushtown.

Misses Emma Neudorfer and Ida Knost entertained their classes of the German Evangelical Sunday school last evening at Miss Neudorfer's home on Third street. There were twenty present. A social followed the business. Dainty refreshments were served by the hostesses.

Mrs. Clarence Kehrer entertained with a charming little party this afternoon as a farewell to Mrs. E. C. Bradford and sister, Miss Louise McFall, of St. Louis, Mo., who will move to Cincinnati, Sunday. The guests included the members of the Afternoon Sewing Club, Miss Louise McFall, of St. Louis, and Mrs. Clyde Brockell, of Cincinnati, guest of Mrs. Kehrer. The afternoon's pleasures ended with a delicious repast.

Miss Ida Bender's class of the German Evangelical Sunday school met last evening at her home, where there were thirteen present. Mrs. W. W. Severs being a guest. After the

Columbus and Dayton People Approve "Outside" Cold Remedy

They Find the External Application, Vick's Vapo-Rub Salve, the Best Treatment for Croup and Cold Troubles. It Replaces Harmful Internal Dosing, Poultices, Plasters, Flannel Jackets and Vapor Lamps.

You Just Rub It on Over Throat and Chest—Relieves by Inhalation and Absorption.

Since Vick's Vapo-Rub Salve was introduced here from the South a short time ago, Ohio folks have found it no longer necessary to dose for cold troubles. Down South Vick's Vapo-Rub is universally used instead of internal medicines for all forms of cold troubles, from head colds, asthma and catarrh, down to deep chest colds, sore throat, la grippe, bronchitis or incipient pneumonia.

Vick's comes in salve form—you just apply it over the throat and chest, covering with a warm flannel cloth. The body heat releases the ingredients in the form of vapors that are inhaled, with each breath, and all night long, loosening the phlegm and opening the air passages.

COLUMBUS, OHIO, Mrs. F. B. Hinds, 501 Bellows Ave., writes: "We have used your Vick's Vapo-Rub Salve on our baby, and we can

recommend it to anyone, as it saved our child from having a bad case of pneumonia."

COLUMBUS, OHIO, Mr. Charles Thompson, 46 W. Maple St., states:—"At the time I received your remedy, I was suffering with a severe cold, chest and throat all choked up, sense of smell all lost. I followed your directions, using hot wet towels to open the pores, and then rubbed Vick's Salve well in, and it certainly did work wonders, without taking a drop of any other medicine."

DAYTON, OHIO, Mrs. Thomas Johnson, 1624 Germantown Street:—"My little boy was taken with a severe case of croup a few weeks ago, and after trying everything I knew without much relief, my drug-gist gave me a jar of Vick's Vapo-Rub, which I used with splendid results. I also find it a fine remedy for headache, and shall always keep it in my home hereafter."

Vick's Vapo-Rub Salve comes in three sizes, 25c, 50c or \$1.00, at all drug stores.

VICK'S VAPORUB SALVE

Norman Multer, Mabel Knost, Emily Bender, Clara Marshall, Anna Putz, Helen Grassman.

Mr. and Mrs. Clarence Kehrer are entertaining Mr. and Mrs. E. C. Bradford and sister, Miss Louise McFall, of St. Louis, Mo., who are packing their household goods preparing to move to Cincinnati.

Conelius G. Schaefer, eldest son of Mrs. Anna Schaefer, of Third street, and Miss Mabel J. Gillen, daughter of Mrs. Nora Gillen, of Walnut street, were quietly married last evening at eight-thirty o'clock, at St. Mary's parsonage, where Rev. Father Goshel officiated. The happy couple went to Cincinnati for a short stay, after which they will return to Portsmouth and go to housekeeping in rooms at 1117 Fourth street. The groom is a well-known young man, in charge of his mother's grocery on Third street.

Miss Hazel Waddell, of Huntington, has gone to her home after spending two weeks at the home of Mrs. Harry McElroy, on Baird avenue.

Mrs. James McMahon and daughter, Mrs. Henry Sauter, have gone to Columbus to visit Mrs. McMahon's sister, Sister Mary Agnes, at the Good Shepherd Convent.

Mr. and Mrs. C. C. Outler, of Trenton, N. J., are visiting at the home of Mr. and Mrs. Joseph Micklethwait.

The newly-born baby son of Mr. and Mrs. John C. McMahon, of No. 1328 Ninth street, was baptized John Cecil at Holy Redeemer church last Sunday afternoon. The sponsors were Miss Margaret McMahon and Mr. George A. Goodman.

Announcing the greatest Motion Picture of a generation

The Grimson Stain Mystery

A striving that grows deeper, stronger, more fascinating. It moves relentlessly, inevitably to its tremendous climaxes.

Beginning NOW at the better theatres it continues each week. A rising crescendo of crashing power, supreme in its appeal to human imagination.

Triumphant Evil, sinister, leering, confident of its power attacked by the greatest human force—

It is a story of brain, skill, genius, love and power with the Master Star

MAURICE COSTELLO and the beautiful

ETHEL GRANDIN at the head of the greatest of casts.

Miss Dolly Wise

She is here to answer any and all questions concerning love, matrimony, troubles, woes, etiquette, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, O. Office Phone 60.

Dear Dolly—Grandma and I had an argument. She said if you adopted a child, the adopted parents would have to swear to their ages, and I said they would not. Am I right? How is my writing and spelling?

A LITTLE READER. You are right, but your writing is not very good. If the foster-parents are of age, that's all that's necessary.

Mary Ann—Kodak pictures are developed there. That explains everything, does it not?

Dear Dolly—Please help me solve a puzzling question: About two months ago a young friend of mine called on me. During his stay my mother evidently said something which offended him, and he has not called since, only to get a small picture promised him. He always speaks, yet one can see that he has no idea of being the friend he was once. Please give me your opinion.

WANT-TO-KNOW. Why not ask him if you have done anything to offend him. If he is much of a gentleman he will tell you. If not, he is not worth worrying about.

Dear Miss Wise—Will you please tell me something to use for cleaning mahogany, which is very cloudy looking?

MRS. X. Y. Z. Rub the surface well with a woolen cloth moistened with turpentine or alcohol and polish with boiled linseed oil.

Cincinnati Kid—Write to the advertising manager of the Enquirer for their want ad rates.

Dear Miss Wise—My finger-nails are brittle and break very easily. How can I have nice nails?

MYRA. Rub your finger-nails with vaseline or sweet almond oil every night before going to bed. Keep the cuticle pushed back with an orange stick, and file the nails instead of cutting them.

Dear Miss Wise—Will you please tell me how I can make myself entertaining? I make every effort I can to keep up an interesting conversation when with a young man, but I do not succeed. It is very painful, and besides I do not make or keep many friends. MATHIDA.

Perhaps it is partly due to your desperate efforts that you do not prove entertaining. Do not try so hard. Be natural. Take an interest in the conversation of others, and remember that a good listener is just as much in demand as a good conversationalist. If you would make a particular young man your friend, find out in what he is interested.

Then learn what you can about these subjects and bring them up in conversation. Your knowledge of and interest in such matters will not fail to make a favorable impression. Keep informed as to current events, not only in your own city, but in the world at large, and you will never lack subjects for interesting conversation.

Dear Miss Dolly—I am a young married woman. For the first year my husband was very devoted to me; in fact until baby came. Now he spends most of his evenings out. What can I do to keep him at home? UNHAPPY WIFE.

Perhaps you have been urging him to remain at home. Don't do it. Be as agreeable as you can, make yourself look as attractive as possible, but do not act as if his presence is needed to make you happy. Have friends come in evenings and read or amuse yourself in some way. But be sure to keep your house a restful place. Do not let the baby

take the only important place. Remember your duty to your husband; you cannot blame him for going out if you are neglectful of his happiness.

SOCIETY

Mr. and Mrs. Charles Major, of Norristown, Pa., have issued invitations to the marriage of their daughter, Eleanor Shoemaker, to Mr. Bernard Leland Morris, fifth day evening, tenth month, twenty-sixth, at six o'clock, at Friends' Meeting House, Norristown. The reception

will be at half after seven, 1320 De Kuy street. They will be at home after twelfth month, first, Portsmouth, Ohio. Mr. Morris is a splendid young man and holds a responsible position with the Harbison-Walker Company. Miss Major has visited at the home of Mrs. Alan Jordan and made many friends while here. They will reside at the corner

of Timmonds avenue and Seventeenth street.

Mr. and Mrs. R. D. York entertained at dinner last evening Mr. and Mrs. Mark W. Selby, Mr. and Mrs. Alan Jordan, Mrs. Oscar W. Newman, of Columbus, and Mrs. Wells A. Hutchins, for the pleasure of Mrs. Newman.

The women of All Saints church cleared over one hundred dollars at their booth on the Hall Bros' corner during Carnival week.

Mrs. Harry Weller arrived today from Bluefield, W. Va., to visit Mrs. Raymond D. York.

The Wednesday Afternoon Sewing Club, of Lucasville, will meet Saturday afternoon at the home of Mrs. Bertha Moulton.

Mr. and Mrs. Millard Poffenberger of 1721 Fifth street, leave tomorrow for a visit with relatives in Harris-

burg, Pa., after which they will go to Zanesville to visit Mr. and Mrs. W. R. Beatty.

Mrs. George Matthews, of Rose Ridge, has as guests her mother and sister, Ma. F. O. Matthews and Mrs. Gertrude Matthews, of Jackson. Mrs. George Matthews and son motored to Jackson and were accompanied home by her mother and sister. Mrs. F. O. Matthews has been an invalid for eight years and this is the first time in that length of time that she has been out of Jackson.

Mr. and Mrs. W. R. Beatty recently moved from Portsmouth to Zanesville.

Miss Margaret Klingman was hostess at last evening's meeting of her class of the German Evangelical Sunday school, fifteen members being present. An enjoyable evening was spent in various diversions, after which dainty refreshments were served. All teachers of this Sunday school were to entertain their classes either Thursday or Friday evenings, and those who did not entertain last evening will do so this evening.

Mrs. Jordan, of Columbus, is visiting her son and daughter-in-law, Mr. and Mrs. Alan Jordan, on Court street.

At a meeting of the executive board of the Ladies' Musical, held last evening at the home of Miss Leonora Allard, seven new active members were added to the list, as follows: Misses Emma Collins, pianist; Leona Adams, pianist; Annabell Hiltchcock, vocalist; and Agnes Schumack, vocalist, the latter two being pupils of Mrs. Adele Matthews. Mrs. Fred Winter, vocalist, Mr. Mastropaulo and Mr. Chris Hansen.

The women of All Saints' Ladies' Aid Society will give one of their famous oyster suppers on the evening of October 26th, at the Parish House, on Fourth street.

Mrs. Henry Smith's class of the Second Presbyterian church will meet at the home of Miss Madeline Revare, of 1811 Fifth street, Saturday afternoon, at 2 o'clock. All members are urged to be present.

The Ladies' Aid Society of the U. B. church held a large and interesting meeting last evening at the home of Mrs. John Voelker, 2032 Eleventh street. There were forty-six present. The hostess was assisted by Mrs. Mary Provine, in serving ice cream and cake.

The Main Street Kensington met Wednesday afternoon at the home of Mrs. J. W. Hutchins, in Sciotoville, where all members were present. The afternoon was spent in reading and music. Refreshments of sandwiches, scalloped oysters, olives, celery and coffee were served. Plans were made for a Halloween party to be given at Mrs. Hutchins' home.

Mrs. Hattie Carvin and Mrs. Harry Mullineaux, of Gallipolis, left today for a visit in Chillicothe after visiting at the home of Mrs. S. J. Johnson, on Third street, who accompanied them to Chillicothe. They will go on home to Gallipolis at the end of their visit.

Rev. and Mrs. Alfred Hughes are coming tomorrow from Indiana to visit over Sunday at the home of Mr. and Mrs. J. M. Graham, on Washington street. Rev. Mr. Hughes was recently made president of Moore's Hill College, in Indiana.

How to Select Your Corset

HERE we give you five simple rules or guides that will turn the selection of your corset into a real pleasure:

FIRST—Decide that your figure is individual—that you need a corset designed for you, and it should be a front-lace corset.

SECOND—Go to the store where competent, graduate corsetiers are employed. Insist on an experienced sales person for your fitting.

THIRD—Remember that your corset dollars go farther if you select two corsets at a time. One for home wear and another for social engagements and street wear.

FOURTH—Unless the corset you select gives you all day comfort, good wearing service, and style that is exclusive, your corset fails regardless of what you pay for it.

FIFTH—You can forget the other rules if the Gossard label is sewn in your corset. There is a Gossard for every figure.

One proof of the unusual recognition given Gossards is the army of moving picture stars who demand the utmost in style, comfort and wearing service in a corset. Every Every Triangle star wears a Gossard and all of them have charming, graceful figures.

An expert corsetier will deem it a pleasure to fit you without obligation to a special Gossard designed for your figure at \$2.00, \$3.00, \$3.50, \$5.00 and up.

The opening recital of the Ladies' Musical will be a vesper service Sunday afternoon, October 15th, instead of Monday, the 9th, at Bigelow church. The change of date was made on account of having the organ tuned. The program will include organ numbers and vocal selections by the best talent in Portsmouth.

A Message To Thin Weak Scrawny Folks

An Easy Way to Gain 10 to 30 Pounds of Solid, Healthy Permanent Flesh.

This, nervous, undeveloped men and women everywhere are heard to say, "I can't understand why I do not get fat. I eat plenty of good nourishing food." The reason is just this: You cannot get fat, no matter how much you eat, unless your digestive organs assimilate the fat-making elements of your body instead of passing them out through the body as waste.

What is needed is a means of gently urging the assimilative functions of the stomach and intestines to absorb the oils and fats and hand them over to the blood, where they may reach the starved, shrunken, run-down tissues and build them up. The thin person's body is like a dry sponge—eager and hungry for the fatty materials of which it is being deprived by the failure of the alimentary canal to take them from the food. A splendid way of working to overcome this sinful waste of flesh building elements and to stop the leakage of fats is to try Sargol, the famous flesh building agent that has been so widely sold in America in recent years. Take a little Sargol tablet with every meal and see if your cheeks don't quickly fill out and rolls of firm, healthy flesh form over your body, projecting each bony angle and projecting point.

Fisher and Streich Pharmacy and other good druggists have Sargol or can get it from their wholesaler, and will refund your money if you are not satisfied with the gain in weight it produces as stated on the guarantee in each large package. It is inexpensive, easy to take and highly efficient.

All music-lovers are invited.

Mr. Clenney do Bruin will sing a solo Sunday morning at Bigelow church.

Mrs. Lydia Lindsey left this morning for her home in Geneva, after a several weeks' visit with relatives in this city. She was accompanied as far as Carey, O., by her nephew, Harold Traeg, who will spend several days with relatives in that city. Enroute home he will visit relatives in Columbus.

The Ladies' Aid Society of All Saints' church will serve the lunches for the three days of the Synodical meeting at the Second Presbyterian church.

The Home League Club held the first of this season's meetings yesterday afternoon at the home of Mrs. Mary Russell, on Third street, where there were nineteen present. The annual reports and the committee's reports were given. The retiring president, Mrs. Georgia Jordan, gave a little talk and turned the work over to the new president, Mrs. Henry Charlton. Mrs. Bushway and Mrs. Treuhart were elected delegates to the meeting of the Ohio Federation to be held October 17, 18, 19, 20 at Dayton. Mrs. Rottingham and Mrs. F. W. Chase were elected alternates. Arrangements were made for an outing to be held October 14th, at the Haldeman cottage, "Idle Hours." Ice cream, cake, coffee and minis were served at the end of the meeting. Mrs. Cartwright, 714 Fourth street, will be hostess at the next meeting.

The Ladies' Aid Society of the M. E. church of Lucasville met yesterday afternoon at the home of Mrs. J. M. Appel, sixteen members being present. An election of officers resulted as follows:

President—Mrs. Clyde Brant.
Vice President—Mrs. Nige Cock-croft.
Secretary—Mrs. Thomas Hartman.
Treasurer—Mrs. J. H. Appel.
The members of the Aid Society and of the Woman's Missionary Society presented the pastor's wife, Mrs. Peitsmeyer, with a handsome tablecloth and a dozen of napkins,

A Positively Beneficial Children's Store

We know the troubles mothers have when it comes to selecting garments for the children, and we admit that too long in this city the subject of children's garments was not given the serious attention by the merchants that the subject demanded. However, we are now making up for lost time and past short comings by our distinctive children's store on our second floor annex.

Hundreds of mothers have already realized the advantage in being able to secure everything for the children of all ages from infancy to sixteen years in one section set apart particularly for this purpose.

Children's dresses and coats and hats and etc., in unlimited assortments for your choosing, away from the stocks of women's garments.

And with this special children's store comes special handling. By its being a separate department with an individuality of its own it is given all the attention that any other separate department receives. It isn't a case of children's garments being neglected on account of being overshadowed by the women's business.

In our children's store are specialists in children's wear and they devote their time and interest to children's wear. It comes first in their affairs, not second.

Of course the new autumn and winter garb for infants and children is already here. Think of us when you want something distinctive for your child. Now is a pretty good time to visit our children's store.

BUILD UP YOUR BLOOD

It is a hopeless task to try to restore your health while your blood is deficient in quantity or quality. The blood circulates throughout every portion of the body except the hair and nails. It takes the nourishment from the food and distributes it to the various muscles and organs; it takes also any medication that is administered through the mouth. The blood is the only means by which medicine can reach the nerves. If the blood is thin its carrying capacity is lessened because it is the red corpuscles in the blood that carry oxygen and other needed constituents to the various parts of the body. Dr. Williams' Pink Pills for Pale People increase the red corpuscles in the blood. They enable it to absorb more oxygen, to carry more life and strength to the weakened organs. In any disease in which the patient becomes thin and pale Dr. Williams' Pink Pills can be used successfully to combat the anemia and build up the health and strength.

"Building Up the Blood" is a booklet, full of good information. Every mother and every growing girl should have one. It is sent free on request by the Dr. Williams' Medicine Co., Schenectady, N. Y. Your own druggist sells Dr. Williams' Pink Pills. Price 50 cents.

WAR

(Continued From Page One)

Rumanian forces constituted a successful raid, according to a wireless despatch from Rome today. The Rumanians, says this version of the affair, destroyed Bulgarian depots containing large quantities of army provisions and retrograded the Danube without losing a man.

According to the Bulgarian official reports the Rumanians were badly cut up by Bulgarian forces from Rusehnik and Tulukai which caught the invaders between two fires and compelled their disorderly retreat with heavy losses.

Rumanian Forces Are Defeated

Berlin Oct. 6.—(Via London)—Rumanian forces in Transylvania have been defeated by the troops of General Von Falkenhayn and driven back over the Alt river, the war office announced today.

London, Oct. 6.—The British forces, which recently crossed to

the eastern bank of the Struma river on the Macedonian front, have occupied the village of Neroljen, it was announced officially today.

Paris, Oct. 6.—The Bulgarians on the Struma front in Greek Macedonia, are retreating before the British, the war office announced today.

Violent Fighting In Progress

London, Oct. 6.—The Russian attacks on the eastern front are more violent than any known since the start of the war, according to a Copenhagen dispatch to the Exchange Telegraph company, quoting the eastern correspondent of the Berlin Lokal Anzeiger.

The dispatch says that near Karytinea and Zubino, Russian infantry have attacked German lines for the last thirty-six hours without cessation. This assault was on a front of fifty kilometers and the cannonade continued all night.

German officers who participated in the battle on the western front are quoted as saying that the Russian bombardment was

now nearly as violent as that on the Somme. The Rumanians are using thousands of cannon and in a few days the Germans fired 60,000 shells on a very small front.

Police

(Continued From Page One)

denly a chunk of asphalt was hurled through the window of a car halted by a large automobile truck. This seemed the signal for a general attack on the car and in less than a minute every window was shattered. A patrolman

who was on strike duty on the car escorted the 40 or 50 passengers into the street and charged alone into the crowd of jeering women. He was helpless until assistance arrived.

Meanwhile the car was being wrecked as pieces of broken asphalt from a pile on the sidewalk, was hurled at it. The motorman and conductor were lost to sight after several women climbed aboard the car and pulled them to the street. The men's clothing were torn, their faces scratched and bruised. It was not until the automobile load of reserves arrived that a semblance of order was restored.

DEMOCRATS WILL HOLD BIG RALLY

A splendid rally will be held next Monday night, October 9, in the Democratic headquarters in the Masonic Temple. Members of the Central and Executive committees and various candidates will be present, and from present indications the meeting will be a most enthusiastic one.

One of the women arrested charged the police with dragging her infant child from her arms. She asserted the child was left on the sidewalk, and two hours after the riot no trace of it had been found.

All Democrats are urged to join in the old-time rally.

TWO MEN KILLED BY N & W TRAIN

Neudoerfer & Silcox Truck Run Down At Gay Street Crossing

In one of the worst railway crossing accidents in the history of the city the lives of two men were sacrificed and a truck valued at \$2,400 was completely wrecked at 11:30 Friday morning when N. & W. passenger train No. 16, which leaves here at 11:40, crashed into it at Eleventh and Gay streets.

Wade Gray, aged 25, who was driving the truck owned by

Neudoerfer and Silcox, local wholesale grocers, was injured so seriously that his death ensued 20 minutes later in the Hempstead hospital. Lemuel S. Martin, aged 30, who shared the front seat of the truck, was instantly killed. The bodies of the two men were found alongside of the high board fence near what is known as the "North End Cut."

Gray's body was not identified until within a few minutes of the time he passed away, identification being established by a brother-in-law, A. M. Adams, of Fullerton, Ky. Gray just two weeks ago re-entered the employ of Neudoerfer and Silcox as a driver of their truck. It is presumed that Martin was a friend of Gray and when he met him he climbed on the front seat of the machine, little dreaming that he was riding to a tragic death, his life being snuffed out in a twinkling when the ponderous engine drawing N. & W. train No. 16 struck the truck.

Martin's right leg was broken, he suffered a fracture of the skull and was injured internally. There were also several deep cuts on the forehead.

FATHER OF BABY BORN LAST SATURDAY

Gray also suffered a fractured skull and was injured internally, according to Dr. S. S. Halderman. He was unconscious when picked up and never uttered a word after the accident. He is the father of an unnamed baby, a daughter having been born to him and his wife on the Scioto Trail near the hospital, last Saturday.

According to eye witnesses Gray and Martin were driving west on Eleventh street when the accident took place. From the fact that part of the battered truck was found fully 75 feet up the "cut" and on the upper side of it the theory is advanced that Gray probably tried to beat the train to the crossing and when he saw that he would not be able to do so he suddenly veered the machine towards the upper side of the "cut" in a desperate effort to avoid the engine rapidly bearing down upon. He was unsuccessful and the crash came.

TRAIN WAS QUICKLY HALTED

The engineer of the death-dealing engine halted his train as quickly as possible and a large crowd soon gathered. The body of Martin, covered with blood and lifeless was tenderly borne to the left side of Eleventh street near Gay and it rested in a clump of weeds until Lynn's ambulance was called and removed it to the Lynn mortuary.

It required but a glance at Gray's inanimate form to convince one that he was badly hurt and to save time Adam Pfau's bread wagon, which happened to be near was speedily converted into an ambulance. Hundreds of leaves of bread were removed from it and Gray was placed in the truck and rushed to the hospital. There it was soon learned that the victim had been fatally hurt, his chief injury being a fracture of the skull, which proved fatal.

A. M. Adams, a brother-in-law of the dead man, was the first relative to appear and he claimed the body and at once notified Mrs. Gray of her husband's tragic death.

Martin Identified

Martin's body was conveyed to the Lynn mortuary and positive identification was not made until County Deputy Auditor Roy Colburn viewed the body. He immediately recognized the victim as being Lemuel S. Martin, a young farmer who resided with

men to reach the two men. They both looked like they were dead when I got to them," Mr. Christopher told a Times man shortly after the double fatality.

Harry Johnson Saw Crash

Harry Johnson, police court clerk, was on his way to dinner and had just passed the corner of Eleventh and Chillicothe streets and was driving east in the patrol when he saw the truck coming west on Eleventh street.

"Something just told me that the truck was not going to get over the crossing before the arrival of the train and the next thing I knew the engine and truck came together with a crash. I was one of the first men to reach Martin and Gray."

Salesman Also Saw The Crash

Walter Williams, who said he was a traveling salesman from Cincinnati, says he reached Eleventh and Gay streets just as the train was approaching and halted to let it pass. "I saw the truck coming down Eleventh street at a fair rate of speed and I thought the driver had plenty of time to stop it, but when the engine reached the crossing the truck was also there and a resounding crash followed. I quickly ran to one of the men whom I afterward learned was Martin. He only gazed once or twice after I reached his side."

Said He Yelled Warning

Paul Addison, aged 10, colored, started to a Times man that he yelled to the men on the truck to look out that a train was coming, but the driver failed to heed the warning.

Loney Atkinson, aged 13, colored, who was within 50 feet of the crossing and witnessed the accident, says the crossing bell was not ringing.

Mrs. Anna Shaw, who lives near the scene, claims she did not hear the crossing bell, but heard the train approaching.

Dave Bauer, night ticket agent at the N. & W. depot, and who lives at 1018 Eleventh street, says he was on his front porch when he heard the crash.

The wreckage of the car was

piled up in the "cut" and it was necessary to detach the engine and pull it up to a cross alley before the train could proceed to the depot. The truck was almost reduced to splinters.

The train crew on No. 16 was from Columbus and consisted of Conductor C. S. Wilson, engineer John McClure and Fireman W. C. Wells. The engine was No. 512.

Wade Gray, one of the victims, was a son of Mr. and Mrs. F. M. Gray, of Fullerton, Ky. Mr. Gray running a grocery store in that village. The dead man was 25 years old and besides his parents, leaves his wife, a son James, and a six days old daughter, one brother, Kellen Gray, of Fullerton, Mrs. Lem Adams and Miss Myrtle Gray at home. He had previously been employed as a city salesman by Neudoerfer & Silcox, but resigned. Two weeks ago he again became identified with the same firm in the capacity of truck driver. He was an industrious young man and had many friends in this city.

Lawrence Neudoerfer arrived at the Hempstead hospital just a few moments after Gray passed away. "He was a hard working, honest young man, and I was certainly grieved to learn of his tragic death. We considered him a careful driver," Mr. Neudoerfer said.

Mr. Martin was well known in the vicinity of Scioto and Harrisonville, where he leaves many relatives and friends. He was a fine specimen of young manhood, being 6 feet tall and weighing about 175 pounds.

Coroner Daehler stated this afternoon that he would thoroughly look into every phase of the accident.

See The World's Series Games Play By Play On The Bulletin Board At The Findeis Cafe

Tomorrow in Boston the world's series begins. Of course everyone cannot go to Boston to see the opening game, but that does not prevent them from enjoying the game play by play. Through the Ticker Service the Findeis Cafe will receive the account of each game of the world's series, both at Boston and Brooklyn, ball by ball. A few seconds after each play is made in either Boston or Brooklyn you are going to be able to read about it on the Findeis bulletin board. This service will continue throughout the series and everyone is invited to come to the Findeis Cafe.

"An Elgin!"

The merit of owning an Elgin Watch is generally acknowledged. The advantage of securing an Elgin Watch through us is easy to recognize.

We are experts, watch specialists. In handling the business of the railroad time inspection of the N. & W. and B. & O. railroads, it is expected of us that we be especially proficient in caring for the highest grade watches.

Back of our assurance of service to you is a record of forty years active identification with the jewelry and watch business in this community.

After selling you a watch, our service does not cease. Whenever you want your watch set, or adjusted, or handsomely engraved, we do it for you in a pleasant and cheerful manner and make no charge.

Surely this is more satisfactory than purchasing at long distance, or "taking a chance." The fact that our prices are low ought not stop you from making your selection now.

Dismisses Charge

Ed Louther, an upper Front street young man, against whom his mother-in-law, Mrs. Pauline Adams, sought to push an old charge of threatened assault, was dismissed by Mayor Kaps Friday.

After listening to Mrs. Adams' lengthy story, the mayor concluded there was little in the case. Louther had married her sixteen-year-old daughter, Lillian Opel, June 10, against the mother's will, and they had been warring ever since. "If I was to try every family racket in Portsmouth, we would be here night and day, and Sundays, too," said the mayor.

Tige Hayslip was the name given by an Adams cousin who while on his way from Northern Ohio, where he had been cutting corn, stopped over here and got drunk, denied that he had picked up a one dollar bill Mrs. Frank Kehr had lost in an alley near her home, No. 1142 Twelfth street. She said a neighbor woman who had seen the man pick up the money was unable to appear in court. Hayslip was ordered held for further investigation.

Thomas McGuffey was the name given by a bricklayer arrested for "caddie" drinks. He was with an 18-year-old youth, David Marshall, who said he was homeless. They were fined \$5 each for drunkenness. Marshall astounded everybody in the court room by admitting he had been arrested once before for drunkenness and that was also in Portsmouth five years ago.

BEAUTIFUL HAIR, THICK, WAVY, FREE FROM DANDRUFF

Draw a Moist Cloth Through Hair and Double its Beauty at Once

Save Your Hair! Dandruff Disappears and Hair Stops Coming Out

Immediate!—Yes! Certain!—that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after an application of Danderine. Also try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair! A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few week's use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful. You can surely have pretty, charming, lustrous hair, and lots of it, if you will just get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it as directed.

ATTENTION DEMOCRATS

All Democrats of the city who are interested in the party's success this year, are invited to attend an open meeting, to be held at Democratic Headquarters, in the Masonic Temple building, Monday evening, October 9th, at 7:30 p. m.

County candidates and members of both the Executive and Central Committees are requested to be present. GEORGE L. GABLEMAN, Chairman WM. WEST, Sec'y.

Republicans Give Out Their Unofficial Poll

Fifteen precincts out of fifty-eight in Scioto county gives the Republican ticket a total of 1202; the Democratic ticket, 702; the Socialist ticket, 702. One interesting feature of the results furnished is the large number of doubtful electors listed, according to an unofficial poll taken by the Republicans. The precincts given are from various sections of the city and

county. They are:

Alice Brady in "Miss Petticoats" At Lyric Tonight

Dwight Tilton's famous story with clever beautiful Alice Brady will be told in pictures tonight. A story of an old whaling schooner captain and his grand-daughter, who, while toiling in a woolen mill, happened on her way home one evening, to stop a runaway horse, saving a wealthy woman from sure death. She is rewarded by being given a position as

secretary, later shunned by society, goes to France and is acknowledged as the daughter of a French Count, falling into a tile and fortune, returning to America a queen of society, to settle down with her girlhood sweetheart. You will enjoy every minute of

this clever story so be sure and get in to see it.

At the Exhibit

"The Mutilated Hand" is the subject of the second chapter of "The Yellow Menace" sensational serial being shown today.

Events in the Banker's home on Long Island soon showed that Ali Singh's threats are not to be disregarded. His daughter, Margaret, and May Manning, her friend, and sister of Errol Manning, Secret Service agent, while strolling in the garden were pounced upon by thugs. Margaret Bronson is

taken to a disreputable opium joint in New York, while a note is pinned to May Manning's dress announcing that the banker's daughter would be held.

Meanwhile, the mutilated bodies of two detectives sent after Ali Singh are found in the river. Errol Manning and Willard Kemp of the New York police lead an attack on the opium den. Margaret Bronson is rescued but Ali Singh escapes. Two rip-roaring comedies complete the bill.

"A Yoke of Gold" at Arcana Theatre Tonight

A Red Feather production, entitled, "A Yoke of Gold," consisting of five thrilling reels, will be the offering at the Arcana Theatre tonight. This is a real thriller, a headliner in the picture world. "A Yoke of Gold" is a scenario by Calder Johnston and is directed by Floyd B. Curreton. This is a story of old California days, located in San Gabriel and Santa Barbara missions and the surrounding country. The chief strength of this wonderful play is in the settings, which are beautiful in the extreme. It contains considerable beauty of presentation. Alfred Allen, Dorothy Davenport and Emory Johnson play the leads. With these three popular actors, there is no question but the Red Feather production tonight will be one of the best of the season's offerings. Despite the fact that it is one of the very latest and best productions, Manager Potts will still adhere to the old price of a cent to all.

Two Big Features at Temple Theatre Tonight

Determined to give the patrons of the Temple Theatre the best to be had in the motion show world, Manager Harold Potts has secured two big headliners for tonight. The first is "None So Blind," a two-reel drama that is chock full of intense excitement. Following this great feature will come another equally strong feature, entitled "Merry Mary," a comedy-drama that is filled with thrills and exciting climaxes. A play that is well suited to a cosmopolitan crowd. That the people of the East End appreciate Manager Pott's reducing the price of admission to five cents to all, is conclusively demonstrated in the large crowds, and also in the expressions of appreciation heard on every hand. The Temple is destined to become one of the most popular play houses in the city, which will be due in a large measure to the adoption of the policy that has built up the Arcana.

At the Strand

The big offering today is a three part Gold Seal drama entitled "Onda of the Orient" a picture play of scenes laid in the eastern countries where many unusual happenings take place. Marie Walcamp and Eddie Polo play the leading roles.

The comedy part of the program is a one reel Nestor entitled "All Bets Off." Featuring in the comic parts are Eddie Lyons, Lee Moran, Tom Gibson and Gretchen Lederer who are great mirth provokers.

THEATRICAL

At The Sun

"The Girls of Today" at the Sun theatre are offering tonight and Saturday the best and strongest bill in their repertoire. Everyone should see this piece tonight or tomorrow. Costumes, electrical effects and scenery are carried especially for this show. Tomorrow night ends the engagement of Jackson's Revue Girls of Today, and, judging from the houses that have greeted them all week, the S. R. O. sign will go out early. Seats may be ordered by phone. Don't forget to read the big ad in Saturday's Times.

Earle Stock Co. In Repertoire of High Class At Sun Theatre Next Week.

Theatre-goers will not be disappointed this year as the Sun Theatre management has secured the Earle Stock Company, one of the best on the road. Theatre-goers in Portsmouth will not have to endure the disappointment of the past few years by not having a repertoire company in Portsmouth, as the managers of the Sun theatre has succeeded in booking the well-known and pleasing Earle Stock company. This is one of the high-class companies and has been playing the larger city time in the East. The members of the company, scenery, stage equipment, etc., is the best on the road and Mr. Earle will be in the active management of the company.

There will be a new modern play each day and patrons can look forward to a week of fine entertainment for themselves and their friends. Aside from the play each night, a classy vaudeville bill will be a feature. There will be no motion pictures during the week. Mr. Earle's leading lady is Miss Kitty Kirk, who has appeared with the leading stock organizations. "The Broken Butterfly" will be the opening play Monday night. The change of plays will be made known through the press.

Resinol Soap

a friend to tender skins

Many ill-made toilet soaps contain free alkali, a harsh chemical which tends to dry and injure the skin or hair. Resinol Soap contains absolutely no free alkali, and it is added the soothing, healing Resinol medication, which doctors have used for over 20 years in treating skin troubles. Thus it comforts tender skins, and helps nature clear the complexion and keep the hair rich, lustreous and free from dandruff. Sold at all druggists' and toilet counters.

To submit to vote the question of Annexation of the Village of New Boston, Ohio, to the City of Portsmouth, Ohio. WHEREAS on the 15th day of October, 1916, the County Commissioners of the County of Schio, State of Ohio, upon presentation of a certified copy of a petition signed by twenty-five (25) per cent, or more of the resident electors of the Village of New Boston, Ohio, accompanied by a certificate duly verified, on behalf, by oath, of the Clerk of the Board of Deputy State Supervisors of Election of Schio County, Ohio, to the effect that said petition contained equal to twenty-five (25) per cent or more of the number of votes cast at the last municipal election in said Village of New Boston, did adopt a Resolution to submit to vote of the electors of said Village the question of annexation of same to the City of Portsmouth, Ohio, all of such procedure being in strict compliance with Section 228 of the Ohio General Code, and the Clerk of said Board of Commissioners has presented a duly certified copy of said Resolution to this Council, NOW THEREFORE, BE IT ORDAINED BY the Council of the City of Portsmouth, State of Ohio, as follows: SECTION I. That the question of the annexation of the Village of New Boston, Ohio, to this City of Portsmouth, Ohio, be submitted to the qualified voters of the City of Portsmouth, Ohio, at the annual election in November, 1916. SECTION II. That the question whether such annexation of the Village of New Boston, Ohio, shall be put in the form of "Shall the Village of New Boston be annexed to the City of Portsmouth, Ohio," "Yes," "No," and printed on ballots. Those who are in favor of such annexation shall place a cross mark after the word "Yes" and those who are opposed to such annexation shall place a cross mark after the word "No." SECTION III. Ballot boxes shall be provided and votes counted and returned and the election conducted as regular municipal election. SECTION IV. The Clerk of Council is hereby directed to publish this Ordinance in a newspaper of general circulation in this corporation at least twenty (20) days prior to the date of the election hereby authorized. SECTION V. This Ordinance shall take effect and be in force from and after the earliest period allowed by law. Passed October 5th, 1916. C. W. WILSON, President. Louis A. Zucker, Pro Tem. Clerk. The within Ordinance Number 228 entitled "Ordinance to submit to vote the question of the annexation of the Village of New Boston, Ohio, to the City of Portsmouth, Ohio," approved this 5th day of October, A. D. 1916. H. H. KAPS, Mayor.

THE BLOOD—Impure Blood causes a host of troubles unknown to the average person. Stop mercury and potash in an effort to cure the Blood disorder, which only temporarily benefit. RAMONA HERBS removes the cause by cleansing and purifying the Blood. It is a perfectly safe treatment—purely vegetable—made of herbs, roots and barks, and is certain to produce good results. Impure Blood is the cause of Pimples, Blackheads, Facial Eruptions and so called Skin Diseases. Take RAMONA HERBS and watch the results.

RHEUMATISM—You need RAMONA HERBS if you suffer from this distressing ailment. Rheumatism is caused by an excess of uric acid in the blood, which is carried to different portions of the body. RAMONA HERBS is efficacious in Rheumatism because it acts by first purifying the blood and neutralizing the acids, dissolving the irritating particles and then forcing them out through the natural channels. Each box of RAMONA HERBS is guaranteed.

CONSTIPATION—You will find RAMONA HERBS different from anything you have ever taken for this common ailment. It is nature's best remedy, producing free evacuations, easy, and removing all the waste matter from the system. Relieves that nervous, irritable, dizziness, tired, worn-out feeling. Far superior to pills and salts.

LIVER—It is of utmost importance to keep this organ in good working condition, for if you don't the effects upon other parts of the system are very unpleasant. RAMONA HERBS corrects the liver, regulates the bowels, prevents the stomach from being upset, and takes away the nasty juice in the mouth. Beware of calomel for this complaint.

STOMACH TROUBLE—You will never know the relief and benefit for this aggravation until you take RAMONA HERBS. RAMONA HERBS aids the stomach to digest the food properly so that the blood might absorb it in a good condition and thus carry it through the body. You can readily see the ill-effects produced by poor digestion, for if the blood absorbs this in an undigested form it affects the whole system. RAMONA HERBS tones up the stomach and puts it in a healthy condition, that it might perform its proper functions.

KIDNEYS—The Buchu, Dandelion—Burdock and other herbs used in RAMONA HERBS are recognized as the best in helping the kidneys perform their task. By acting on the entire system, RAMONA HERBS tends to keep each organ in a perfect working condition so that they will not have to rely upon the kidneys to help them when they become overtaxed. RAMONA HERBS removes the cause of kidney trouble and does not treat the effects.

SENATOR POMERENE IS GIVEN AN ENTHUSIASTIC RECEPTION IN PIKE COUNTY

Waverly, O., Oct. 6.—Senator Pomerene wound up an effective day's campaigning in Pike county with a large meeting here, addressing over a 1,000 voters last night. Two bands were out and the attendance came from as far as the surrounding counties.

Will P. Haynes, candidate for senator, gave a brief and effective talk. Senator Pomerene spoke at

some length. His recital of the achievements of President Wilson's administration and of the president's keeping the country out of war, was enthusiastically received, but it remained for the employees constructing the new C. & O. railway with a terminal here, to make a demonstration when he showed up the cowardice of the Republicans in their atti-

tude to the eight hour law. The senator touching upon this said: "The Republicans designate themselves 'The Grand Old Party'." They adopted a stand-pat platform. It might have been suited to the period of fifty years ago, but not for the present day. Think of the party in the days of Lincoln when it stood for something, and think of it today under the leadership of Mr. Hughes indulging in fault-finding criticisms of the Wilson administration. He offers nothing constructive, save and except a return to the old protective tariff system, which was made wholly for the benefit of the producer and wholly against the consumer. "The people are enjoying such prosperity at the present time that they are not even interested in the discussion of the tariff. "The Grand Old Party that years ago stood for something! What does it stand for now? What splendid courage they exhibit! Several weeks ago, shortly before Mr. Hughes came into Ohio, the papers reported that Mr. Hughes would be instructed as to what he should

say. And Mr. Roosevelt, the one Republican upon whom Mr. Hughes is leaning more than all his other distinguished leaders for his election, was not even wanted in the state, and straight-way arrangements are made that he shall not come.

"Mr. Hughes has savagely criticized the eight hour law. He came to Ohio and proceeded to tell the working men that he favored the eight hour day, that he wanted the workingman to have good wages, but he objected to what Wilson had done; in other words he believed in the Wilson medicine but he objected to the color of the paper in which it was wrapped. And what commotion followed. The candidates on the Republican ticket became alarmed at the unfavorable impression which Mr. Hughes' trip made in the state and straightway the candidates met. Governor Willis, Mr. Herrick and the other candidates for state offices, and they took counsel of what they should do. They decided that they would not hereafter discuss the eight hour law. Mr. Herrick is reported several days ago to have said that he would not even answer my question as to whether he would have voted for or against the eight hour law had he been in the senate. It does not concern me whether he does or not, but it does concern the voters of Ohio.

"Think of the situation! Mr. Hughes, the national leader, opposed to the eight hour law. Mr. Herrick, Governor Willis and other state candidates decide not to discuss it. Was ever such moral cowardice before exhibited by the candidates of any party in the history of our country? The eight hour law was made an issue of first importance by Mr. Hughes, the Republican leader, and Mr. Herrick, the Republican candidate for senator and Mr. Willis the Republican candidate for governor, do not dare to even discuss it and try to sidetrack it for the tariff.

"Well, they may attempt to sidetrack it, but like Banquo's ghost, it will not down. It is on the main track, the people will not sidetrack it but Herrick and Willis are sidetracking themselves."

Following the meeting a party of prominent Highland county Democrats motored Senator Pomerene to Highland county, which he tours today.

The afternoon meeting at Beaver brought together a large assemblage of farmers from Pike, Scioto and Jackson counties, who listened intently to Senator Pomerene's explanations of the operations of the Federal Reserve and Farm Loan System and also applauded his tribute to President Wilson.

Senator Pomerene's thrills at the large Herrick primary campaign fund interested the farmers, who enthusiastically applauded his lute.

He directed these inquiries: If he were in the senate would he vote for a corrupt practice act, and if so what amount would be placed on campaign expenses for the senatorship? Would it be more or less than the twenty-two thousand dollars which he expended for the nomination for senator? It could not be less because that would be condemning his own conduct, if it were more how much more the voters would like to know. If he spent twenty-two thousand for the nomination, how much will he spend for the election? Under such conditions, how much chance would your sons have for political preference?

Boy Injured

Charles Kaiser, a New Boston boy, who took employment at the Corner Book Store only Wednesday, had the misfortune to fall from his bicycle while riding to work early Thursday morning, injuring his leg. He is now laid up as a result of the accident.

SQUEEZING BLOOD OUT OF A TURNIP

A Lot of People Apparently Think It Can Be Accomplished.

"You can't squeeze blood out of a turnip." However, a great number of people evidently don't believe it. It is the same principle with men and women. Nervous, run-down people should not be expected to be cheery, happy and be able to equal the work of the physically fit man or woman.

It is not uncommon to hear one refer to a certain person in their community as "lax and of no account," or a "pessimist." Such persons, usually, are not exactly sick or naturally lazy or grouchy, but are affected with a nervous, debilitated condition.

Such people don't get half out of life they deserve, and should be pitied by those more fortunate, as these conditions are usually the results of stomach troubles to which we are all susceptible. The records show that over one-half of the population of the country is affected with one disease or another and that stomach trouble is the cause of the great majority of our ills.

Nervous, run down men and women have frequent headaches, are sluggish in mind and in body and they haven't enough real energy to make them self-reliant in even the little things of life. They haven't enough rich, red blood to nourish their bodies. Sleepless nights, spells of dizziness, pains in the back and limbs, frequent nausea, poor appetite, poor digestion, constipation and other disorders are only too common to persons afflicted with this unnatural condition.

Tanlac is designed especially to combat these conditions. Thousands of men and women, who have suffered from that run down, nervous feeling, have acknowledged the benefits that they have derived through this wonderful reconstructive tonic. Tanlac not only acts as a tonic, which adds vigor and renews lost energy, but promotes digestion, vitalizes the blood, assimilates the food and puts the stomach in the habit of doing a full day's work and doing it well.

Tanlac is being especially introduced in Portsmouth at Fisher & Streich's pharmacy where the Tanlac Man daily explains its merits and what may be expected from its use.

Tanlac may be obtained in the following nearby towns: New Boston, E. H. Coburn; Sciotoville, Sciotoville Pharmacy; Bloomington, H. J. Gleim; Scioto, Stockham & Payne; McDermott, Ord Thompson; Lucasville, Dr. J. H. Cox; Stockdale, O. E. Emory & Co.; Jasper, J. W. Dewey; Pike, R. B. Willson; Oak Hill, Jenkins Pharmacy; Otway, J. T. WEAKER and WEAKER

At Edwardsport, Ind., Mrs. Frank Hulen, said: "I had good health up until after the birth of my first child. . . Mrs. Hulen then describes how she was not given proper advice, though she could get up and go about her work in five days, how from that time on she grew weaker and weaker, suffering intense agony, was given medicine that soothed the pain, but this soon wore off and the pains came again. 'I was a wreck,' says Mrs. Hulen. 'My friends thought I'd die. . . my mother insisted that I take CARDUI. . . In a short while after I took tiny doses were relieved and I could sleep better. . . in four weeks I was well. . . I will praise CARDUI as long as I live for I can truthfully say it saved my life. . . Try CARDUI. Your druggist sells it."

The Effects of Opiates.

THAT INFANTS are peculiarly susceptible to opium and its various preparations, all of which are narcotic, is well known. Even in the smallest doses, if continued, these opiates cause changes in the functions and growth of the cells which are likely to become permanent, causing imbecility, mental perversion, a craving for alcohol or narcotics in later life. Nervous diseases, such as intractable nervous dyspepsia and lack of staying powers are a result of dosing with opiates or narcotics to keep children quiet in their infancy. The rule among physicians is that children should never receive opiates in the smallest dose for more than a day at a time, and only then if unavoidable.

The administration of Anodynes, Drops, Cordials, Soothing Syrup and other narcotics to children by any but a physician cannot be too strongly decried, and the druggist should not be a party to it. Children who are ill need the attention of a physician, and it is nothing less than a crime to dose them willfully with narcotics.

Castoria contains no narcotics if it bears the signature of Chas. H. Fletcher. Genuine Castoria always bears the signature of *Chas. H. Fletcher*

GARNET ELHOFF'S GUARDIAN SUES

Through her attorneys, Milner, Miller and Searl, Norma Irene Cooper, guardian of Garnet Elhoff, filed suit against Nancy J. Elhoff, administratrix of the estate of the late Louis Elhoff, Friday in common pleas court asking that the defendant be compelled to transfer the title for two tracts of land to her ward and give an account of the profits since the purchase.

The petition says that the administratrix purchases Lots 73-96, Village of New Boston with money belonging to the estate and "took the title of each of the said parcels of real estate in her own name and had ever since so held said real estate and received and appropriated to her own use the rents and profits thereof."

These lots mention were purchased in October 1912, it is said.

GAIN SHOWN IN HUNTER'S LICENSE

From July 1 to September 30, inclusive, this year County Clerk John W. Hall issued 432 hunting licenses. This is a twenty percent gain over the number issued for the same period of last year.

WESLEY HALL

The every night meetings are being well attended. Last night there was a good attendance of men. These meetings each evening are under the direction of the pastor, but lead by different men. This evening, at 7 p. m., the Rev. B. B. Cartright, pastor of the Central Presbyterian church, will be the speaker. To these meetings the public is invited. We want to extend a special invitation to mission workers in the city to come over and help us. We invite busy folks to come when they can, stay as long as possible, and go when they must. Homeless men and strangers are truly welcome at Wesley Hall. We ask all Christians who read this article to join us in earnest prayer that our work this coming winter among the poor and homeless be truly blessed of God.

NATIONAL SECRETARY COMING

Plans were arranged by Portsmouth Chapter No. 11, A. I. U. Thursday night to entertain Hon. George W. Haglan, of Columbus, national secretary of the order, who will visit Portsmouth October 19. The original date scheduled for his visit was October 12. A fine program will be arranged and all members are expected to be present on that occasion.

WILLIS STRIKES AT THE ATTITUDE OF COX

Martins Ferry, Ohio, Oct. 6.—Governor Frank B. Willis, speaking today to a Republican rally attended by a big crowd at the local Auditorium, hit hard at the attitude of former Governor Cox on the Workmen's Compensation Law. "The Republican party in Ohio and this administration is pledged to support the principle of Workmen's Compensation and will defend it even against its alleged friends," said Governor Willis. "There has been more misrepresentation and cheap demagoguery about this question than any other that has arisen in the campaign. I charge that the section of the law allowing liability insurance companies to do business in Ohio was written into the law at the demand of my predecessor in office himself, and he and his supporters are now attacking this administration for the very thing he was responsible for."

For Catarrhal Deafness and Head Noises

Here in America there is much suffering from catarrh and head noises. American people would do well to consider the method employed by the English to combat this insidious disease. Every one knows how damp the English climate is and how dampness affects those suffering from catarrh. In England they treat catarrhal deafness and head noises as a constitutional disease and use an internal remedy for it that is really very efficacious.

Sufferers who could scarcely hear a watch tick tell how they had their hearing restored by this English treatment to such an extent that the tick of a watch was plainly audible seven and eight inches away from either ear.

Therefore, if you know someone who is troubled with catarrh, catarrhal deafness or head noises, cut out this formula and hand it to them and you will have been the means of saving some poor sufferer perhaps from total deafness. The prescription can be easily prepared at home for about 75c and is made as follows:

From your druggist obtain 1 oz. of Parment (Double Strength), about 15c worth. Take this home, and add to it 1/4 pint of hot water and 4 ounces of granulated sugar; stir until dissolved. Take a tablespoonful four times a day.

Parment is used in this way not only to reduce by tonic action the inflammation and swelling in the Eustachian Tubes, and thus to equalize the air pressure on the drum, but to correct any excess of secretions in the middle ear, and the results it gives are usually remarkably quick and effective.

Every person who has catarrh in any form should give this recipe a trial and free themselves from this destructive disease.

Hart Schaffner & Marx clothes
are the kind you want for fall

YOU'LL be impressed with the difference in appearance between men who wear Hart Schaffner & Marx clothes and the other men you see on the street.

There's a style about them which is distinctive; not because of extreme or freakish ideas, but because of a dignity which marks the wearer. There's a fit and finish in them which adds to this impression: and a quality of materials which tells its own story of your good judgment as a buyer of clothes.

G. O. P. WILL HOLD BIG HURRAH MEETING TONIGHT

The Republican campaign in Scioto county will be formally launched this evening. A rousing "Hip Hurrah" meeting at the Republican club house, Gallia street, will be the first of the series of meetings which are

to be held before the election, November 7. All Republicans and other electors not affiliated with the party are invited to attend this meeting, which begins at 7:30 o'clock.

The speaking program will consist of two interesting addresses. One upon the issues of the day, will be delivered by Hon. Harry W. Miller, and the other by Hon. W. O. Jackson, Springfield, who is a member of the Ohio General Assembly from Clark county.

Jackson's speech in particular will interest those advocating or condemning the Adamson Eight Hour bill. For twenty-one years Jackson served as a locomotive engineer, resigning in 1901 to accept a position as state inspector of railroads. Besides the speaking program, a smoker will be held and the preliminary plans for the campaign to be waged will be explained by the members of the County Executive committee.

ONLY POWERFUL MEDICINE WILL END RHEUMATISM
It matters not whether you have had agonizing pains from rheumatism for 20 years or distressing twittings for 20 weeks. Rheuma is strong enough and mighty and powerful enough to drive rheumatic poisons from your body and abolish all misery or money back.
Wurster Bros. and all druggists sell Rheuma on a no-cure-no-pay basis for not more than 30 cents a bottle, and after you take a half teaspoonful once a day for two days you should know that at last you have obtained a remedy that will conquer rheumatism.
For over five years throughout America Rheuma has been prescribed by broad-minded physicians and has released thousands from agony, pain and despair.

Just Register That's All

Several electors have appeared at the various voting booths in the city and demanded transfers, according to William West, of the election board. Those registering who have moved since the last election, Mr. West says, are not required to get transfers. "All that is necessary for them to do is to go to their new precinct and register," West said today.

THOUSANDS OF SICK WOMEN

Helped Every Year by Common Sense Suggestions Given Free by The Lydia E. Pinkham Medicine Co.

For forty years women suffering from all kinds of female ills have been writing the Lydia E. Pinkham Medicine Co. of Lynn, Mass., for advice.

Thus they receive common sense suggestions drawn from a vast volume of experience, and thousands of sick women have been saved from untold suffering, as letters like the following clearly show:

Newark, Ohio.—"Lydia E. Pinkham's Vegetable Compound has made me a

well woman. Your Sensitive Wash is just the thing to overcome female weakness. I have told young mothers as well as older ones about your remedies, and what they have done for me. I think Lydia E. Pinkham's Vegetable Compound saved

my life, as my health was very bad when I wrote you, but now I can do my own work and have not had a sick day since I began taking your remedies. I keep the Compound and Liver Pills on hand all the time."—Mrs. Geo. Thompson, 24 Sherwood Court, Newark, Ohio.

SHOES C. & O. N. Is Sued

Five thousand dollars' judgment is asked against the Chesapeake and Ohio Northern railroad by Catherine Schilling, Pike county, in a suit at Waverly, Friday, by Attorney Sherrard Johnson, this city.

The petitioner says that the C. & O. N. railroad built an embankment near her farm in Pike county. This bank, she claims, dammed a creek and flooded her farm, destroying her crops and flooding her home. At one time, she says, that two feet of water stood in her home.

PASS ORDINANCE FOR CITY TO VOTE ON ANNEXATION, "EXTRAS" ARE TABLED

An ordinance to submit to a vote of the people of Portsmouth next month the question of annexing New Boston was passed by city council at an adjourned session primarily held for that purpose Thursday evening.

City Solicitor Anselm Skelton previously explained the method of procedure. Clerk L. A. Zucker read a certified copy of the proceedings of the meeting of county commissioners held Thursday afternoon, including the resolution passed by that body submitting the annexation question to the voters of the village of New Boston. Upon motion of Mr. Vandervort, this resolution was received and filed and the solicitor directed to prepare necessary legislation. The ordinance prepared by the solicitor was then read and passed under a suspension of the rules.

What appeared as an aftermath of the stormy executive session of the night before was the dispatch with which council tabled estimates prepared by City Engineer Samuel G. Harper and approved by Service Director Ralph Culvert for "extras" on public work. Out of a list of six, but one was considered worthy of immediate consideration. The others were one by one received and placed on file, which means that certain contractors will likely have to "wait" for their money, at least for a time, or until council gets ready to allow the same.

The one estimate for which money was ordered appropriated was for \$500 for various repairs in Green-lawn cemetery. The others ordered placed on file were the following: Armstrong Place improvement, extra work, \$470.39; Massie street improvement, extra work, \$115.16; Ma-

bert Road improvement, extra work, \$497.76; Scioto Point flood defense, extra work, \$1,473.24; an estimate of \$306.85 for the proposed Wesley Hall Mission sewer was also tabled because the amount was much higher than anticipated and because there is at present only \$100 in the sewer fund.

Rules were suspended and an ordinance passed appropriating \$2,000 for the repair of the city's water front, which work has been completed. The work was carried on pending the sale of \$2,000 bonds for that purpose, the contractors having agreed to wait for their money.

Chairman Kiekey, of the street committee, reported that business men on the east side of Chillicothe street were asking relief from the sewer in the first alley east, running south from Gallia to Fourth street. Paul Esselborn, who is erecting a new building in the square, was present and was given the privilege of addressing council. He said the sewer referred to was used as a combination storm and sanitary sewer, but it was unsatisfactory for two reasons. One was because it is only 8 1/2 ft. below the surface, and another that it was constructed of only 8-inch tile. Its outlet is 8 ft. above the manhole of the sanitary sewer. He said the board of health was constantly after property owners there because of unsanitary conditions, but that they were not to blame. Hard rains caused their cellars to be flooded. He cited the Opera house building, where, he said, check valves and automatic pumps had to be installed. He himself, would be unable to place toilets in the basement of his new building, as he had hoped to do. He said the

property in that part of the city was as valuable as any in Portsmouth, and but for the good location many would have left the neighborhood long ago, so unbearable have the sanitary conditions been. He asked that the dropping of the sewer to drain the cellars be included in the \$2,000 sewer bond issue, which council ordered created Wednesday night.

Mr. Roush moved that the engineer be instructed to prepare an estimate to take care of the situation, but Mr. Vandervort reported that the street committee had conferred briefly since Mr. Esselborn had informally presented the facts to them and that they now were at a loss to know whether the city or the property owners should stand the cost of lowering the sewer. He said sanitary sewers were not intended to drain cellars. Service Director Culvert agreed with Mr. Vandervort on that point, but said the situation there was unusual. The sewer was inadequate because the down-spouts of the First National Bank building drained into it.

Mayor Knapp expressed the opinion that the sewer should not drain the roofs and basements of the buildings, for it drained into the Third street sanitary sewer, which is already overloaded. He favored cutting the connections from the sanitary sewer and providing a storm sewer, for he did not believe it the proper thing to have the water come on the surface and run through the alleys.

Mr. Roush's motion was finally amended to refer the petition to the street committee and service department.

Work was started Friday on improvements to the building occupied by Virgil Fowler at 634 Second street. The building will be completely overhauled and repainted. His X-Ray laboratory will be located in the building when improvements are completed.

POLICE UNCOVER PLAN TO SLAY SHONTS AND HEDLEY, ARRESTS MADE

New York, Oct. 6.—The police promised more arrests today in connection with an alleged plot to kill President Theodore P. Shonts of the Interborough Rapid Transit company, and Frank Hedley, manager of the New York Railways company. Two men, said to be striking subway guards, arrested early this morning, were held on charges of stoning an elevated train. The police declared they had evidence that these men were involved in the supposed conspiracy but refrained from bringing such a charge against them until others were arrested.

According to detectives, one of them who posed as a striker, got evidence ten days ago that plans were being laid to kill Shonts and Hedley. The two traction officials were warned and given permission to carry pistols. The two men now under arrest were closely watched until last night when they were seen taking part in an attack upon an elevated train. The prisoners, who gave their names as Oscar Wallace and John Sheeran, were questioned for several hours today, but the police said that to reveal the result of this examination might hamper them in continuing the investigation.

AMERICA IS READY TO FIGHT BUT CAUSE MUST BE JUST, WILSON TELLS OMAHA CROWDS

Clinton, Iowa, Oct. 6.—President Wilson is on his way home through the middle west today, after receiving one of the greatest demonstrations of his career in Omaha yesterday and last night. He is due in Chicago at 11:40 o'clock this morning and after a brief stop will proceed to Long Branch, N. J. He will arrive there tomorrow morning in time for an address to independent voters at Shadow Lawn.

The president's plans for today called for several stops en route home. He intended to appear at every station and shake hands with the people, but still persisted in his determination not to make rear platform speeches.

President Wilson discussed the European war, peace and American business in three speeches at Omaha yesterday. He declared America is as ready to fight as any nation in the world, but that its cause must be just. After the war, he said, this nation must join a league of nations to preserve the peace of the world.

President Wilson said: "It is very important that the statesmen of other nations should understand America. We have held off from the conflagration in Europe, because we wanted to play a different part."

The president was interrupted by applause and shouts of "We thank you."

"The cause of the European war," the president said, "is not plainly known."

"But Europe should understand us," he said. "We are holding off because when we use the force of this nation we want to know what we are using it for."

"There is as much fight in America as any nation in the world."

"We want always to hold the force of America to fight for the rights of mankind, not for the rights of property. But in fighting for these things we should know what the touchstone is. We must have absolute allegiance to America. We must be truly American. The rights of humanity are the essence of freedom."

"We want all the world to know that we are ready to use all our force to maintain peace among mankind. The starting of wars can never again be the private concern of any one nation. We must use all our forces, moral and physical, to uphold a league of nations, to uphold the peace of this world."

The president declared there was no use fighting over petty

LENGTH OF CONTRACTS IS POINT OF DISPUTE IN THE N. Y. MILK WAR

New York, Oct. 6.—A difference only as to the length of the contracts to be given by the New York distributors to the farmers existed today, when the state opened its investigation of the deadlock which has kept this city on a short supply of milk for several days.

One of the big distributors had offered to pay the farmers the increase of one cent a quart, which they demand, but had refused to make this contract for six months, as the Dairymen's League insisted.

The Dairymen's League will attempt to show that the farmers have been selling milk at a loss. The distributors intend to produce evidence to sustain their charge that the league is a combination in restraint of trade.

CAN RAISE THE RATES

As the years brought on an increasing ratio of deaths to membership every American mutual assessment life insurance company has found itself unable to maintain itself, without imposing higher rates. In fixing the rates the general principle of making the older membership pay in proportion to the insurance they had so far received. That is the long-time member, if he had died, stood to get more insurance than the dues he had paid warranted, on the principle of mutuality. This equalizing policy caused much dissatisfaction, while the rate increase was unpopular all around. The common result was loss of membership and a flock of law suits to restrain the increase. The whole subject matter has finally gotten to the United States supreme court and that tribunal holds that mutual assessments companies have a right inherent to raise it rates so the insurance stipulated will be actually provided. In other words, mutuality of protection is the essential basis of their existence and all things else is subordinate to that primary principle and the ordinary interpretation of covenant and agreement do not apply to a mutual assessment policy. Thus it is that if an order issue a policy, in which it is stipulated the member shall pay certain dues, the provision as to the dues, is neither fixed nor unalterable and the order may afterwards impose such additional dues as will, according to mortality experience provide a surplus fund that will insure every member the full payment of his policy. The reason for this is mutual assessment organizations are for the common protection of members and not for gain. It may seem a hardship to a member, that having for ten or twenty years paid certain dues, he should now have those dues doubled, or even quadrupled, but the fact remains that these larger payments make his average the insurance he should contribute to his fellow-member just and fair. 'Tis true the dead have gotten their insurance, but the dead are not answerable; the living must discharge their obligation to their brethren in full.

An outcome of the judgment will, probably be, that all mutual orders will be put upon a sound basis, as some of them already are. The decision of the court accentuates the fact that there is no such possibility as continuing any business at a loss. Life insurance is an exact science. It is known just what a thousand dollars' insurance is worth in annual premium. Each one must pay that else will many lose and the order eventually go bankrupt.

WHEN MONEY IS CHEAP

In passing, we said the other day, economists maintain money rises and falls, just like any other commodity, and it does, though not to the same degree of variability, on maximum and minimum. Money has become the medium of exchange, the basis of barter and exchange, because it transforms a necessity of standard into a convenience, a ready base of value. Its fluctuations are not ordinarily frequent or sincere because of an ever existing demand. Still that it does fluctuate we have not to go away from home. All of us are familiar with the not long past when money in Portsmouth was scarce, when its lack of volume was regarded as the most serious obstacle in the development of the town. The money was spoken of as high, it commanded a stiffer rate of interest than was the rule in most other communities. Portsmouth has become prosperous, many of her citizens are "well fixed" financially, quite a number are rich, the banks and the building associations have large surplus deposits and so money commands lower interest, has in fact become cheap, comparatively speaking to the old days. For the interest it is able to command marks just as surely whether money is dear or cheap as the cent more or less marks the price of sugar.

In fact the plenitude of money seems to mark something of an anomalous condition. Trade is of almost incomprehensible volume, industry was never so busy and the launching of new enterprises, all calling for "new" capital, is unprecedented. Still money is plentiful and cheap, every town is telling the same story, plenty of surplus in the banks. Yet one would think that with such record breaking activity and demand money ought to be dear. The explanation first at hand is confidence. The people believe in the stability of condition, they have faith that the new currency laws will prevent a money panic and no longer are countless millions being hoarded in dark secret places, the hoardings are being brought out and invested or deposited, the cash of the country is in circulation.

The development and improvement of New Boston is, perhaps, nowhere better shown than in the increased demand for mail facilities. One letter carrier has all he can do to cover the village once a day, while less than two years ago two deliveries were easily made. The local post office has taken up the matter of securing an additional carrier, but such a matter moves slowly.

So we have got to vote our welcome to New Boston to come in and be a part of the Greater Portsmouth. Well, that's easy enough, the meat is what New Boston will say as to coming in.

What is the use of educating 'em. A recent test of the knowledge of the pupils of university as to their prominent personages and current events, showed few of them could "place" Mary Pickford and still fewer were able to distinguish between Moses and Paul.

MORE OPPOSITION FROM SPECIAL INTERESTS

DEFENSE OF YOU-ALL

For years Southern people have been trying to conquer the habit of saying "You-all." They have come to regard it as rather uncouth, altogether lacking in euphony, and a decidedly unbecoming specimen of provincialism. The expression, however, is so grounded in custom, so intimately a part of childhood years in the South, that it becomes second nature and follows its victim more or less persistently through all the days of his life. Those who suffer from the "you-all" habit will find a bit of comfort in the following editorial from the New York Times, a sympathetic defense if not a justification of this ancient linguistic freak:

"Our Kentucky friend who wrote us the other day that he used to be ashamed of 'you-all' and other Southernisms, but now realizes that they speak a purer type of English than do college men, bases his grown wisdom on the belief that 'the nearer the sources the purer the issue therefrom.' There is a better reason than that for calling 'you-all' good English. It makes meaning clearer. It straightens out a lame pronoun. The plural 'you' is unhappy and misleading. A plural that not only means something but can't be misunderstood should be welcomed, not apologized for; it cures a defect and fills up a hole in the English language.

"When people stopped calling each other 'thee' a gap was left. 'Thee' served very well for the singular, 'you' for the plural. The death of 'thee' left 'you' to do the work of both. The strain is often too great. Hear a prohibitionist arguing with one of the Wets. 'Your policy is infamous. You have filled almshouses, have cut short lives, have hurled men to untimely graves.' 'I never did such a thing in my life' protested the Wet. Perhaps, before the Dry has checked him and laid the blame on the English language, he has proceeded to blows. The Southerner, on the contrary, can argue with the Northerner without risk of misunderstanding: 'You-all' burned our homes and ran off our niggers.' No personal offense, no risk of hasty blows; that little 'you-all' left his meaning clear. The individual Northerner, understanding that he is not accused in his own person of home-burning or forcible emancipation, remains calm. 'You-all' is a necessary word, a good word. It should leave its confined Southern home and be adopted into the American language."

There can be no face of injured innocence affected by the victims of the blackmail trust.

A New York preacher has characterized Roosevelt as a "pre-necene survival." We don't know what that means, though we like the sound of it.

The first thing the Mexican conferees talked about was big loan. Uncle Sam wants to be first shown the security she has to offer.

It is an ill wind that blows no good. The newest dissolution of the Greek cabinet relieves us from the lengthy spelling of Kalo-goropoulos. Still there may be worse to come.

To council: Do you suppose the people elected you to hold secret caucuses about city affairs, especially those concerning the payment of large sums of money? Roll up the curtain and let the taxpayers know what is going on behind the scenes.

Father Beaver Hunts The Easy Way

When Mother Beaver began to ask call what she had said—something questions about the little logs Father Beaver had cut and he promptly promised to be asleep, he did about the very best thing he could do. For she realized that with all that work, he must be tired, and she didn't try to wake him to answer her questions. Of course Father Beaver was only pretending to be asleep, but he was tired and he had worked hard, so it's not much wonder that his pretending soon turned into reality and that he slept soundly the whole day long.

Just before sunset he awakened and looked around. No one was in sight. "I suppose Mother Beaver waked up first," he thought, "and is getting her breakfast. I do hope she and Bushy and Little Brother are careful about Hoot, the Owl. Just because we haven't seen him for three nights is no sign he's gone for good." He stretched himself lazily, yawned twice—and then he spied his pile of logs!

"My raft!" he exclaimed, "how ever did I forget it!" And he hopped up in a hurry and made ready to go to work.

But he was a little hungry, in spite of the party the night before, and a little stiff from his hard work. So he looked at the logs near by, with great thoughtfulness. "That raft's going to be a lot of work," he said. "I wish there was some easy way to make one. I don't believe Mother Beaver worked night after night making her dishes! I just know she didn't." Then he happened to remember that Mother Beaver had said something about wishing for dishes. Something—he scratched his head and tried to re-

"I wish there was some easy way to make one!"

had come and had brought Graytail so she didn't finish her story. But Father Beaver remembered enough to know that she didn't make them and that was enough for him.

"I'm going to find that hat she told me about," he declared, positively. "Catch me making raft when I can get one by wishing for it!" He started through the wood, chuckling to himself to think how foolish and hard working he had nearly been.

To-morrow—Father Beaver makes his wish.

Are Hurting Work

City officials on their inspection tour of public work Wednesday found that Curtis & Shumway had completed the new wall of the reservoir on Basham Hill. Work will be started Friday on the floor of the basin and this should be completed in thirty days, says City Engineer Samuel G. Harper.

"Pollyanna" that pleased me was the orchestra. They were Hawaiians and they played that soulful melody: "I Lest My Heart in Honolulu." It is not only the prettiest song that Gus Edwards ever wrote, but the prettiest song, in my opinion, of the past five years.

The education of hall boys apparently goes slowly on. M. R. Kinsey, a merchant, was riding in a north-bound subway train at Fourteenth street when a straw hat which he was wearing attracted the attention of Edward Simmons, an amber hall boy. Simmons walked over and broke Mr. Kinsey's hat, remarking: "They rang the bell on straw lids, mister."

Mr. Kinsey arose, wrung Simmons' neck until it seemed silly to continue, and then gave him over to a policeman doing strike duty on the train. The hall boy was locked up charged with assault.

Those who saw Mr. Kinsey right after the crash were of the opinion that Simmons should have been charged with attempted suicide.

Old Mark Leusholder—ho of the Hippodrome—has had the Hip chorus girls busy outside working hours creating a composite creature known as their ideal of the Superwoman. The creature possesses:

Legs of Pavlova, body of Charlotte, eyes of Jane Cowl, hands of Elsie Ferguson, mouth of Billie Burke, hair of Margot Kelly, neck of Mary Garden, nose of Martha Hedeman, chin of Mae Marsh, shoulders of Dixie Grant and feet of Ann Pennington.

It may have been merely an oversight, or it may be that such a paragon of beauty would be hampered by a brain.

Billy Sunday may yet be booked for New York, if the little matter of remuneration can be satisfactorily arranged. Only a few thousand dollars at this writing stands between New York and salvation as supplied by the evangelist.

As a matter of fact, Hell has paid down a great deal in New York. However, there are a lot of gamblers on Broadway who wish Sunday would come. They want to go to hear Sunday and give him a sparty chance to capture their souls—if he can.

Four pickpockets were in the crib at the Tombs waiting to be taken to Sing Sing for various terms. They were handcuffed to deputies and the patrol wagon was on its way. Finally one burst into song and the others joined. The song was "Home, Sweet Home."

What Did You Do?

"Did you give him a life? He's a brother of mine, And bearing about all the burden lie can. Did you give him a smile? He was downcast and blue, And the smile would have helped him battle it through."

"Did you give him your hand? He was slipping down hill, And the word, so he fancied, was using him ill. Did you give him a word? Did you show him the road, Or did you just let him go with his loud?"

"Do you know what it means to be losing the fight, When a lift in time might set everything right? Do you know what it means—just the clasp of the hand—When a man's borne about all a man ought to stand?"

"Do you know what it means—why the quivering lip? Why the half-suppressed sob, and the scolding tears drip? Were you a brother of his when the time came of need? Did you offer to help him, or didn't you heed?" —Exchange.

Didn't Know Much

Uncle Ezra—"That fellow who stays in that little round house on the top of the hill has written a book about Mars."

Uncle Eben—"I'll bet it's a fake. What does he know about them foreign countries? He ain't been out of town in several years."—Puck.

A Washingtonian Discovery

The funniest discovery of the age is that the nearest living relative of George Washington is engaged in manufacturing lyes.—Helen (Mont.) Independent.

Thought He Was Lucky

A little boy went to Sunday school for the first time. His mother gave him a nickel to put in the collection box. When he returned he had a sack of candy.

"Where did you get the candy?" asked his mother.

"From the stand around the corner." "But what did you buy it with?" "With the nickel you gave me." "But that was for Sunday school." "Well," replied the boy, "I didn't need it. The minister met me at the door and got me in free."

Only Part Of It In Him

"Johnny," said a mother, as she looked at her son distrustfully, "some one has taken a large piece of cake out of the cake box."

Johnny reddened guiltily. "I didn't think it was in you!" "Shame on you!" said his mother. "Well," mother, was the feeble reply, "it isn't all in me. Part of it is in Elsie."—Youth's Companion.

Couldn't Beat 'Em

On entering a grocery store one day an elderly lady asked the assistant if he had any eggs.

"Yes," replied the man proudly, "and they are not to be beaten." "Well," cried the lady, advancing toward the door, "they are of no use to me, then, because I want to use them in a pudding."

Irish Wit

Dr. X. hired O'Brien to clean off the walk from his house to the front gate. At the close of the day, when he examined Pat's work, he was dissatisfied with it.

"O'Brien," he said, "the whole walk is covered with gravel and dirt. In my estimation it's a bad job." "I've looked at him in surprise for a moment and replied: "Shure, doctor, there's many a bad job of yours covered with gravel and dirt."—The Home Budget.

Badly Damaged

Tommy Jones presented a very forlorn appearance as he leaned against the brick wall and caressed his stomach with his hands.

Moans of bitter anguish emanated from his young mouth and the kindly old gentlemen whose ears they fell upon was deeply touched. He walked up to the crestfallen Tommy.

"What's the matter, my man?" he asked. "Are you hurt?" "Yes," wailed Tommy. "How did it happen?" pursued the old man.

Tommy Jones wiped the tears from his eyes and drew himself up.

"We were having a naval battle," he explained, "and that fellow over there torpedoed me in the engine room."
